## NEFF SUPPORTERS PLAN GRAND FINAL RALLY ON FRIDAY NIGHT IN CITY

### TEACHING SALARIES IN SCHOOLS HERE GREATLY INCREASED

#### EFFICIENT CORPS OF TEACHERS IN LOCAL SCHOOLS

The teachers in the public schools will receive a substantial salary increase over what they received last year, according to an announcement by Superintendent Kidd. As has always been the case, the teachers in the schools of Cameron will receive as much or more than is paid the teachers of the average city of this size, during the coming year.

In anticipation of additional State aid, the local school authorities voted an increase in the salaries of the teachers to be employed during the coming year. Since that time the state has made an appropriation of \$14.50 per scholastic capita. On account of this, the salaries of the local teachers, both grade and grammar school, are increased about 45 per cent.

Superintendent Kidd stated that the schools of this city are more fortunate than the majority of schools, in that nearly all of the teaching corps of last year will be back at their places when school opens on September 13th. There will be more teachers this year than last, one of these being the teacher for Domestic Science, which is an entirely new department. Miss Motie Cass, who holds a B. S. degree from the College of Industrial Arts at Denton, will have charge of this department. Mr. Homer L. Williams, the new principal, has a master degree and is completing the necessary work for his doctor's degree. J. C. Jones who will have charge of Science and Athletics, has a B. A. degree from Baylor University and was assistant director of athletics at that university last year. Miss Mattie Loventhall, who will teach History and Algebra is a graduate of Southwestern University and is an experienced teacher.

The Principal of the Grammar School, Mr. Rhey B. Parsons, has an A. B. degree from Chicago University and comes to us from Corsican high school. There will be several of new faces among the teaching corps at the grammar school this year, but every teacher employed there has either had considerable teaching experience or is a university graduate. From all indications the schools of this city will have an unusually successful year.

## NEFF FORCES WILL CLOSE CAMPAIGN IN CAMERON ON FRIDAY

#### W. W. HAIR OF TEMPLE PRINCIPAL SPEAKER—CLUB HAS MEMBERSHIP OF 508.

Friends and supporters of Pat M. Neff of Waco, candidate for Governor will close the campaign in Milam county Friday night with a grand rally of the forces on the court house lawn.

W. W. Hair, attorney of Temple, and public speaker will appear as the principal speaker of the evening.

Announcement of the rally was made last week by Judd G. Davis, Chairman of the Neff forces in Milam county. Today O. L. Kidd, Cameron attorney and Neff supporter, announced that Mr. Hair of Temple had been secured to address the democrats of Milam county on Friday night thus closing one of the most vigorous political campaigns in recent years.

A special appeal is being sent out all over the country for a final grand rally of the Neff forces and hundreds have been invited to come to Cameron from every center in the county.

An active campaign has also been waged locally and one of the largest political clubs in the state has been recruited in the interest of Mr. Neff.

With a membership of 508 in the local Neff Club it is believed the rally Friday night will be one of the largest ever held in the county. Neff leaders are laying plans for a big crowd and all members of the Neff club are expected to be present. It is the final call to the standard of the Democrat from McLennan county.

#### Election Saturday

The run off primary election will be held Saturday, August 28. Three state offices are being contested in the second primary. All over Texas interest is at fever heat as one of the most bitter campaigns in history is drawing to a close. The final hour of the struggle find leaders of both factions confident of victory. Local leaders are claiming victory in Milam county and are making predictions for the state at large.

Both Mr. Neff and Mr. Bailey have spoken in Cameron. In the first primary both Mr. Thomason and Mr. Looney spoke in Cameron. The city has been favored by a visit from all of the candidates. Whatever bitterness existed in the first campaign between the forces of Neff, Thomason and Looney has been buried like the proverbial hatchet. With scant exception, it is said, practically all the Thomason men and the Looney men have lined up for Mr. Neff.

Mr. Bailey has made gains locally and his friends here claim when the returns come in from over the county the ex-senator will make a decidedly better showing than in the first primary.

There are more than 7000 poll tax receipts in the county. In the July primary the total vote was about 7700. It is said that many demo-

## CALL TO DEMOCRATS FOR SOLID SUPPORT ISSUED BY JETER

#### COUNTY CHAIRMAN WARNS ELECTION MANAGERS TO GUARD SOVEREIGNTY OF PRIMARY

In a call issued to the Democrats of Milam County R. P. Jeter, Chairman of the Democratic Executive Committee, gives voice to the battle for a solid rank support and warns election managers against participation in the primary of voters of doubtful party standing.

The appeal is issued in the interest of the primary election to preserve its democratic purposes against any who may seek to use it without regard to its pledge to support the nominee.

Mr. Jeter states that reports have come to the executive committee that some who are not democrats "will undertake to enter the primary without any intention of abiding by its results."

In accordance with the policy of the State Democratic Executive Committee, affidavits have been placed in the hands of all election managers to place under oath all voters of doubtful party standing to support the nominees of the primary.

The statement of Mr. Jeter is as follows:

To all Democrats of Milam County:

As Chairman of your County Executive Committee I want to call on ALL Democrats to come to the polls and vote next Saturday.

Regardless of your partisan feeling for or against any candidate, by reason of which you may be inclined to remain away, I appeal to you AS DEMOCRATS to stay with the party at this time, and give it your wholehearted support at this time.

It has reached the ears of the Executive Committee that some persons NOT Democrats will undertake to enter the Primary without any intention of abiding by the result, or of supporting the nominees at the November Election.

The Executive Committee, with the help of the Election Managers, is doing, and will do all it can to prevent our party being imposed on in this manner, and to this end instructions have been issued by the Executive Committee to all Election Managers, to require ALL PERSONS OF DOUBTFUL PARTY STANDING, who present themselves at the polls to vote, to take oath that they ARE Democrats and that they WILL support the nominees of the Primary.

This is being done only to safeguard the best interests of the party, and in no spirit whatever is it being done to embarrass any Democrat who may be thus questioned by an Election Manager.

If you are a Democrat come out to the polls and vote on the 28th, and let us show to the world that, with whatever mistakes our party may have made, it still commands our loyalty and support for the good it has done and for the good it will continue to do.

Your very truly,  
ROYAL P. JETER,

Chairman, Milam County Democratic Executive Committee.

G. A. Keith and sons of Temple and Mrs. J. H. Hughes and children of Henrietta, Texas spent the week end with their brother, H. C. Keith and family.

crats who have dissented from the party are coming back. It is said that the vote will be considerably heavier than in the first primary. What part the American party vote will play in the election and to what extent they will enter the primary is not known. American Party leaders are making an effort to keep the organization intact.

Pat Neff led by a substantial majority in the county over his three opponents. Thomason was second, Bailey was third and Looney fourth.

The Neff forces are closing the campaign with a final appeal for a big rally Friday night in Cameron.

## SUFFRAGE FINALLY PROCLAIMED VICTOR

### MAYOR RETURNS FROM A TRIP TO MEXICAN CAPITOL

#### MR. HEARELL GIVES INTERESTING ACCOUNT OF HIS RECENT TRIP

Mayor U. S. Hearrell returned Monday from a stay of several weeks in a number of the important cities in Mexico. Legal matters required the presence of Mr. Hearrell at Tampico, and while there he availed himself of the opportunity of visiting a number of the points of interest in the Republic. His prolonged stay, however, caused several of his friends to jokingly discuss the advisability of raising a ransom to affect his release from the bandits with which Mexico is so popularly supposed to be infested. Mr. Hearrell stated however that Villa had surrendered to the authorities when he learned that "Uncle Sam" was coming into Mexico.

Mr. Hearrell gave an interesting account of his trip which we believe will be of interest to a number of readers, particularly on account of conditions in Mexico being more stable at this time than they have been at any time in recent years. "The people in every locality that I visited, seemed well satisfied with government conditions," he stated, "and one gains the impression that everyone is tired of revolutions and are willing to settle down under the Obregon government for a period of constructive effort and prosperity."

"The first place of interest that I visited was Tampico," continued Mr. Hearrell, "where every great oil company in the world is operating and where some of the wells produce as high as 150,000 barrels daily. Last month the Huasteca Petroleum Company exported from Tampico and Port Labos, a total of 2,717,841.35 barrels which was a record shipment for any one month. The Americans hold the supremacy in oil development there being 28 American Companies in operation there at this time. From Tampico I went to San Luis Potosi and later to Mexico City, the mining region of Guanajato, and a number of places of lesser importance in the republic."

"I found Mexico to a land of extremes. Tampico is low and sultry, while the climate at Mexico City is ideal for summer, the altitude being about 7000 feet, and one is comfortable there during the evening hours with a light overcoat. There are probably more beggars in that country than in any other country in the world and at the same time many of the citizens are enormously wealthy. I spent a night with one land owner whose holdings included as much territory as Milam county, and this is considered a small ranch there. As with the introduction of modern farming in this country are crude, but with the introduction of modern farming implements, Mexico bids fair to play a conspicuous part in the agricultural yield of the world."

"As an example of the better conditions now prevalent in Mexico, the train on which I made the trip to Mexico City carried heavily armed guards, while through trains are now running between Mexico City and Laredo, Texas with no guards whatsoever. It is a land of wonderful opportunities and many of the great firms of other countries and individuals are fast taking advantage of this fact."

Misses Lucile and Sue Butts returned Wednesday from a visit to Houston, San Antonio and Galveston.

Miss Josephine Hoffman returned home to Caldwell, after a three weeks' visit to her aunt, Mrs. Frank Lesovsky.

Mrs. John Watson entertained late Wednesday afternoon at a "Stunt" party. A full account will be given next week.

### HOUSING PROBLEM MORE ACUTE THAN EVER, SAYS CLUB

#### BUSINESS MEN TO TAKE UP MATTER WITH NEW COMMITTEE—PLAN IS PROPOSED

If you have a vacant room or know of a neighbor who has a vacant room or house for rent telephone to the Secretary of the Commercial Club, 163. You will help Cameron solve the housing problem, more acute than at any time in history.

This suggestion is in accordance with a plan mapped out by the Commercial Club Tuesday night. The plan was proposed by J. T. Parma in discussing the housing problem and was presented as a plan which has helped to solve the housing problem in other cities.

With the new school term about to begin and the completion of the new high school building Cameron will attract new people and the housing problem will be more pronounced.

It is hoped that a building loan association may be organized. An unsuccessful attempt was made early last spring.

## AMERICAN LEGION FIESTA IN CITY AUGUST THIRTIETH

Clark's Greater Shows one of the most attractive carnival companies now on the road in Texas, will begin a week's engagement in Cameron Monday August 30 under the auspices of the American Legion.

The local American Legion post will share in the receipts of the carnival company with its forty-five concessions and eight big shows. Local Legion heads have begun active co-operation with the company in the matter of attracting interest by advertising.

The company will be responsible to the American Legion. The Clark Shows exhibited exclusively in Texas this season, having begun the season at Port Arthur on February 26. It has filled engagements throughout the state and has shown in some of the largest cities of the State. Practically all the engagements have been under the direction of the American Legion posts throughout Texas. The show comes to Cameron with letters of recommendation from some of the leading posts of the State.

It is said to be the largest, best and cleanest carnival exhibition now exhibiting in the state. The athletic show will feature Young Stecher, wrestler, who offers a dollar a minute for anyone he cannot beat.

There is the Russian Show featuring Russian dancers; laughing gallery; vaudeville; high class musical comedy; minstrel with 14 colored performers featuring the three Florida pikaninies, five, seven and nine years old; Princess Edna, the smallest woman in the world.

There is 45 concessions and 8 big shows. The tents will be pitched on the Green lot near the city park.

### ANTI MOVE BLOCKED BY COURT ACTION

#### LEGISLATORS SKULK IN ALABAMA BUT CERTIFICATION IS SURE

Washington, Aug. 25.—Justice Siddons of the district supreme court denied Wednesday any anti-suffrage application for a restraining order to prevent promulgation of the federal suffrage amendment by the state department.

The application was filed by counsel for the American Constitutional league and Justice Siddons ruling sustains that of Justice Bailey of the same court last month in rejecting a similar appeal by the same complainants.

The issuing of a temporary injunction, the justice said, would be unwarranted interference with a purely administrative act of the secretary of state. Dismissal of the proceedings leaves the way open for the appeal to the District of Columbia court of appeals.

The anti-suffrage forces will make no further effort to block proclamation of the suffrage amendment as law by Secretary Colby, Attorney Fred D. Smith said, after Justice Siddons had dismissed the bill. Efforts of the opponents of suffrage, Mr. Smith said, will be focused in the future on an attempt to obtain a ruling from the United States supreme court declaring the ratification illegal.

This was the second attempt by the league to obtain from the district court an injunction restraining Mr. Colby from proclaiming the ratification. The first effort was made last month before Tennessee had acted. Justice Bailey, in dismissing the proceeding, held that the court was without authority to inquire into the action of the State legislatures in ratifying the suffrage amendment, and that it had no authority to pass upon the validity of such an amendment. An appeal to the supreme court of the United States was noted by counsel for the league.

## COLQUITT TO SPEAK IN CITY FRIDAY

#### EX-GOVERNOR TO PRESENT CLAIM OF FORMER SENATOR J. W. BAILEY

Oscar B. Colquitt, former governor of Texas, will address the voters of Cameron and Milam county Friday afternoon at 2 o'clock in the city park.

Announcement of the speaking here was announced last week by the Bailey for Governor Club of Milam county. The seats arranged for the speaking of Senator Bailey here last week will be used for the speaking Friday, the park being large enough to accommodate such gathering.

A strong fight has developed in Milam county which was carried in the first primary by Hon. Pat. M. Neff of Waco now a candidate against Mr. Bailey. Both Bailey and Neff are claiming a majority in the county, the latter claiming a victory of nearly two to one.

## DOVE SEASON IS TO OPEN SEPTEMBER 1; FIFTEEN IS LIMIT

The open season for doves begins Wednesday, Sept. 1.

They may be killed up to Dec. 15, fifteen constituting the legal bag limit for one day.

The seasons for other wild birds and for deer are as follows:

Quail and Mexican pheasants, months of December and January, bag limit, fifteen.

Ducks, geese and sandhill cranes, Oct. 16 to Jan. 31, bag limit twenty-five ducks and plovers, eight for all species of geese and sandhill cranes.

Turkeys, March, and April. The limit is three gobblers in one year.

Deer, November and December. The limit is three bucks in one year.

Birds and animals which it is unlawful to kill at all during a period of five years ending June 18, 1924, are woodcock, woodduck, prairie chicken, pheasant (except Mexican pheasant or chachalaca), pinnated grouse, antelope and Rocky Mountain sheep.

It is unlawful to shoot deer, ducks, geese or cranes between sunset and a half hour before sunrise, and to kill them only with a gun held to the shoulder. It is unlawful to use traps, snares, deadfalls or any other trapping device to take them. No other kind of game bird can be legally trapped except by written permission of the game, fish and oyster commissioner. Using a deer call, whistle or decoy is prohibited, except that the rattling of deer horns is allowed.

In order to hunt outside the county of one's residence, it is necessary to make an affidavit that the shipper killed it in person for his own use and not for sale, and to attach a list of the game so shipped, which is not to be removed during passage.

Game may be brought in to Texas from Mexico at all seasons by obtaining a permit from the game, fish and oyster commissioner and by securing a certificate from the customs officer at the port of entry stating that the game was killed or taken in the Republic of Mexico.

## CO-OPERATION IS NEEDED TO BANISH MOSQUITO MENACE

HARDENBURG SAYS MOSQUITOS  
HAVE INCREASED WITH RE-  
CENT HEAVY RAINFALL

Recent heavy rains have added considerably to the work of the local director of the Cameron Anti-Malaria Campaign, and in order to insure as favorable results in future as have been obtained in the past, a little more co-operation from the citizens is necessary, according to W. E. Hardenburg, Director of Anti-Malaria Campaigns, who was in Cameron Monday and Tuesday.

"These rains," said Mr. Hardenburg, "have filled tin cans, buckets, tubs, barrels and other water containers, some of which exist around most homes, and unless these are dumped out promptly mosquitoes will breed in them. As Local Director Culver is very busy oiling pools, etc., in the streets and open spaces about the city, it is incumbent upon the householders to keep their own premises in shape.

"In several of the towns, the women have responded to a suggestion that they themselves personally inspect their own premises once a week, paying particular attention, not only to the water containers mentioned above, but also to cisterns, cesspools, bath room and kitchen sink discharges, wells and pools formed by leaky pipes. I am satisfied that every woman who adopts this suggestion will find that it pays big returns in comfort and satisfaction.

"Water containers that is not desired to dump out should be screened tightly or else oiled liberally once a week with kerosene. Pools, etc., also should be oiled weekly. Top minnows, which destroy the mosquito wiggle-tail, have proven very successful for use in wells and underground cisterns, and these will be supplied free by Local Director Culver. Requests for these should be made to Secretary T. N. Herring of the Commercial Club.

"The Complaint Bureau, establish-

ed recently in connection with the campaign is still functioning, and all citizens who are annoyed by mosquitoes, after first making sure that they themselves are not raising the mosquitoes, by an inspection of their premises, should phone Mr. Herring, and prompt steps will be taken to afford them relief.

"It should be distinctly understood that the Director of the campaign does not regard such complaints as a reflection upon the work, but as an important aid in locating breeding places of mosquitoes, which is all-important."

Following a recent inspection of the work here by Sanitary Engineer E. G. Eggert of the State Board of Health, Local Director Culver has just received a letter from the State Board in which the following reference is made to the campaign in Cameron:

"We have had some splendid reports on your preventive work at Cameron, and we trust that you will continue to enjoy the co-operation of all the citizens."

### COMPIMENTARY DINNER

Miss Lois Stribbling honored her friend, Miss Arnette Taber of Austin with a seven o'clock dinner Tuesday evening.

Fourteen girls were bidden to the feast—all former friends of Miss Arnette when she lived in Cameron.

When the girls entered the dining room, which seemed almost a paradise with the beauty and fragrance of flowers, they readily found their places from their own likeness peeping at them from the place cards. These cards featured baskets of pink flowers with a blue bird perched on the handle and a picture of a guest in one end of the card. Attached to these cards were ribbon streamers extended to the centerpiece. As the girls drew the ribbons they found cards on which was written a stunt.

These afforded much fun through out the meal.

A delicious three course dinner was served Misses Louise Stribbling and Eloise Rogers.

Miss Stribbling's guests of the evening were: Misses Arnette Taber, Grace Eplen, Reba Cheeves, Lucile Hooks, Gladys Lyles, Anna Lou Baskin, Louise Gillon, Maurine House, Cornelia Wallace, Louise Hearrell, and Bess DuBois.

### SALVATION ARMY CONVENTION IN HOUSTON ON SEPTEMBER 9.

Members of the advisory board of the Salvation Army in Milam county have been requested to attend a meeting to be held in Houston on September 9.

The purpose of the convention is to "consider the results of the confidential studies made in each county by county advisory boards, which bring to light the true social conditions existing in Southeast Texas."

The Salvation Army will pay the traveling and hotel expenses of three delegates from Milam County.

It is thought delegates will be sent from this county to the convention. Recently the Milam county branch of the Salvation Army was organized.

## LET NONE BUT DEMOCRATS VOTE

The call to Democrats to put on  
Democratic armor to fight a Demo-  
cratic battle for Democratic princi-  
ples and to keep inviolate the sov-  
ereign purposes of the Democratic  
primary as contained in the state-  
ment of Royal P. Jeter, county demo-  
cratic executive chairman, suggests  
something of the gravity of the polit-  
ical situation in Texas and in Milam  
county.

Primarily the call is issued in the  
interest of the Democratic Primary  
the most cherished of Democratic po-  
litical institutions and one of the best  
safeguards to sane and constitution-  
al popular government.

It is the battle cry of Democracy—  
a call to all sovereign democrats to  
strike in defense of the primary.

The call is issued in defense of the  
position of all good democrats who  
desire that the primary shall not be  
thwarted and its verdict turned into  
an asp to fang with poison those who  
gave it birth and established its prin-  
ciples.

The call is timely and quite unas-  
ailable if the reports be true that  
some are to enter or attempt to enter  
with the express purpose of dis-  
regarding its results if their hopes and  
aspirations are struck down by pub-  
lic verdict. This in effect would  
mean a shameful and perhaps an ir-  
reparable disruption of the primary  
election in Texas for a precedent that  
would disregard a solemn pledge has  
no place in Democratic political his-  
tory.

The right of primary participation  
should not be denied and will not be  
denied anyone. The supreme test is  
the pledge and the lofty object an un-  
tarnished election.

Let none but Democrats vote.

### FIFTY EX-SERVICE MEN ANSWER ATTACK MADE ON DR. JOHN DENSON

Cameron, Texas, August 23, 1920.  
Editor Cameron Herald:

Dear Sir:  
The Herald of last week contained  
open letters from two ex-service men.  
One from Mr. Mitchell, the other from  
Mr. J. E. Patison. These letters were  
evidently written to espouse the can-  
didacy of Mr. J. W. Bailey for Gov-  
ernor, but we have failed to find in  
either letter one reason why they are  
supporting Mr. Bailey, or one word  
why the ex-soldiers of Milam County,  
Texas, should support his candidacy.

Now we, the undersigned ex-soldiers  
of Milam County feel that it is our  
duty to answer these letters.

First. We call your attention to  
Mr. Mitchell's letter. After reading  
his letter we find that about all he  
says is that he is not a pro-German,  
that he is not a slacker, and that he  
is for Mr. Bailey for Governor. The  
remainder of his letter he spent in  
telling us that he refused a commis-  
sion and volunteered as a private, lat-  
er winning a commission. But not  
one word does he say as to why he is  
for Mr. Bailey or why we ex-soldiers  
should support him.

We do not accuse Mr. Mitchell of  
being either a pro-German or a slacker,  
and will make no such accusations.  
And as for his refusing a commission  
and volunteering in the service, we, as  
good Americans, are proud of him.  
But still we can see in that no reason  
for supporting Mr. Bailey.

Second. We take up Mr. Patison's  
letter. In the first paragraph of his  
letter Mr. Patison quotes Mr. Bailey  
as having said that no man who is in-  
capable of enlightening the people on  
the real issue of the campaign, should  
attempt to tell them how to cast their  
ballot and yet he gives not one reason  
why he votes for Mr. Bailey, or why  
we ex-soldiers should vote for him.

He then said that Major J. L.  
Denson attempted to classify Mr. Bai-  
ley's followers as 'slackers' and Ger-

man sympathizers. He made no such  
attempt nor do we. He did state that  
the German sympathizers were for  
Mr. Bailey and we agree with him in  
his statement. Now instead of an-  
swering that accusation he brought  
up the old question of rank which  
died when we came back to civil life.  
He declared he didn't have to stand  
at attention any more, but could tell  
an ex-major several things. We are  
glad you are so independent Mr. Pati-  
son, but that could not be considered  
a reason for voting for Mr. Bailey.  
Only once in his letter does Mr. Pati-  
son attempt to defend Mr. Bailey's  
record, and that by citing the patriot-  
ism of his two sons. We admire and  
respect his sons for their deeds, but  
we fail to see that the credit for their  
patriotism should be given to Mr.  
Bailey. If that were the case, the  
credit for what the American Army  
did, would not belong to the men who  
fought, but to their parents. Mr.  
Patison, don't try to hide Mr. Bailey's  
record behind the patriotism of his  
sons. Give them the credit—they  
earned it.

Now in the espousal of Mr. Bailey's  
candidacy these two gentlemen have  
failed to give any reason whatever for  
their support of Mr. Bailey or why  
other ex-soldiers should support him.  
But we, who answer them feel  
that the public should know our views.

We are answering these letters  
strictly from the viewpoint of ex-  
soldiers and will dwell only on that  
issue.

First: In time of war it is every  
man's duty to put aside his personal  
views and petty jealousies, and do all  
in his power for the common good.  
Mr. Bailey did not do that.

Second: Mr. Bailey was an elo-  
quent orator and had a large follow-  
ing in Texas. His voice could have  
influenced many people. Even now he  
travels throughout the state using his  
magnificent eloquence in two hour  
speeches for himself. During the war  
he was asked to make a four-minute  
speech for his country. Mr. Bailey  
did not do that.

Third: The ex-senator said that he  
was not opposed to the war, but to the  
methods in which the war was con-  
ducted. And yet he didn't lift his  
voice in an effort to improve the  
methods in which it was conducted.  
Mistakes were made, no doubt, but  
thousands of people who differed as  
to the ways and means of its conduct,  
put aside their personal views, and  
did all in their power to advance our  
cause. Mr. Bailey didn't do that.

Fourth: In refusing to make a  
four-minute speech, Mr. Bailey gave  
the flimsy excuse that he couldn't ad-  
vise his friends to buy liberty bonds  
because they were not a good invest-  
ment. That is a reflection on the  
people of Texas. Find a man who  
even considered Liberty Bonds from  
the standpoint of an investment, and  
we'll show you a man who only  
bought bonds, when interviewed by a  
committee of rather stern views.  
Many Liberty Bond speakers didn't  
even mention an investment. They  
told the people that they were neces-  
sary to buy food and clothing for us  
who fought, and ammunition with  
which to fight. Mr. Bailey didn't do  
that.

Fifth: At the conclusion of the  
war some people who had maintained  
a monumental silence throughout the  
conflict, came out of their holes, and  
started a tirade against all that had  
been done; against those who led us  
in this great struggle and against  
our beloved President and the admin-  
istration who had brought about the  
great victory. Against the peace  
treaty, and the League of Nations,  
that great pact which will do so much  
to prevent future wars. Mr. Bailey  
did do that.

Now in concluding this answer to  
these two letters, we want to say to  
the people that we were soldiers in  
the service of our country, and that  
we oppose Mr. Bailey for Governor,  
and above give our reasons for op-  
posing him.

## MORE REASONS BY AN EX-SOLDIER FOR VOTING AGAINST MR. BAILEY

Cameron Herald:  
Dear Sir:

My reasons from an ex-soldier's  
standpoint for voting against Mr.  
Bailey in a recent issue of our county  
paper must have struck a vital spot  
as it received three answers in last  
week's issue. The one from Mr. E.  
A. Wallace was respectful and kind  
and contained nothing to answer. He  
thinks as many slackers and pro-Ger-  
man sympathizers are voting for Mr.  
Neff as for Mr. Bailey. I leave that  
for others to judge. The article from  
Mr. A. F. Mitchell contains only two  
thoughts, first he chose to be a pri-  
vate rather than a captain, and that  
was his privilege but is that a reason  
for voting for Mr. Bailey? Second he  
says that many were promoted through  
political influences. He surely can't  
mean that for me, as I was promoted  
through nine years' service in the  
National Guard on Nov. 1916 after  
passing a rigid examination before a  
board of Regular Army Officers at  
Fort Sam Houston, but what does this  
have to do with Governor of Texas?  
He gives not a single reason for vot-  
ing for Mr. Bailey.

Mr. J. E. Patison's article was dis-  
appointing in that it gave no reasons  
for voting for Mr. Bailey. I am sorry  
Mr. Patison got the impression that  
I thought all Bailey supporters  
slackers and pro-Germans. My  
language was plainly otherwise.  
Many noble patriots are voting  
for Mr. Bailey, but I say again  
that I can't see why good men are wil-  
ling to line themselves up with the  
enemies of our country when it is so  
plain. Is that intelligible, Mr. Pati-  
son? It is not my purpose or inten-  
tion to be personal or wound anyone's  
feelings. The trouble with many of  
the Bailey crowd is if you criticize  
Mr. Bailey's public record they howl  
unjust criticism and try to divert your  
mind from the issue.

No matter how many personal in-  
sultations they make nor how hard  
they try to prejudice the public  
against what I say the fact remains  
that Mr. Bailey by his silence at the  
most critical moment of our country's  
history proved himself unworthy to  
be Governor of any patriotic State.  
His silence was more harmful than  
open rebellion from one thousand or-  
dinary men. While our great Presi-  
dent was straining under his heavy  
load of responsibility where was Mr.  
Bailey? Did he even go as did Mr.  
Taft and Roosevelt to Mr. Wilson  
with expressions of sympathy and  
volunteer to help? On the contrary  
he closed up like a clam. I swore  
while we were in the front lines al-  
most sweating drops of blood that if  
God spared me to get back home I  
would forever remember to speak out  
against the slacker. Is it possible  
that lots of good people are going to  
forget so soon? No sooner had the  
smoke of battle cleared away than Mr.  
Bailey emerges from his hiding place  
with avowed purpose to strike down  
all the ideals for which we fought and  
scatter to the forewinds the great  
achievements of the greatest admin-  
istration since the Civil War. And  
just think of it! He asks Democrats  
and patriotic Americans to support  
him and by appealing to prejudice and  
otherwise he is "getting by" with  
many good men.

I love my country and stand ready  
to make any sacrifice for its honor.  
My opinion is if all our great men had  
been as indifferent and silent as Mr.  
Bailey during our great struggle we  
would have been under the yoke of  
German oppression for a thousand  
years. Believing that way can you  
blame me for speaking out even  
though I am misrepresented.

It is very unfortunate that the  
young Mr. Patison should cast a slur  
at the drafted men, for that was our  
Government's way of using men. I  
am sure he did not mean it like it  
sounds. It is equally unfortunate  
that he should minimize the impor-  
tance of the patriotic self-sacrificing  
spirit of our homefolks. Each part  
had to be played to make and win vic-  
tory and I feel that the home victory  
who were honest and helpful and wore  
flags in the coat lapels, did without  
the sugar and flour that we might  
eat, and did their part in the purchase  
of Liberty Bonds and Thrift Stamps  
and did everything to encourage the  
faint-hearted, deserve as much credit  
as the ones who fought on the battle  
field. Without the aid of the men  
and the women and children at home  
we would not have succeeded but gone  
down in defeat. Did Mr. Bailey do  
any of these things? I am sorry Mr.  
Patison allowed himself to get work-  
up over my piece and say so many lit-  
tle spiteful things about me, but I  
forgive him as I do not know him and  
I am not in the race for Governor and  
my shortcomings do not excuse Mr.  
Bailey. I am sure Mr. Patison is a  
fine boy and some day I hope to meet  
him when he is in a good humor.

DR. JOHN L. DENSON,  
Ex-Major M. C. 141st Inf.

## THE COTTON FARMER AND SEED PRICES.

Editor Cameron Herald:

Dear Sir:  
Cotton seed is now selling at Rose-  
bud, in Falls County, for \$30.00 per  
ton, and it is most certain that the  
price will go still higher.

Within the last ten days farm meet-  
ings have been held in various coun-  
ties, and strong protest made against  
the great reduction in the price of  
seed, and the unreasonable advance  
in the price of ginning.

The oil mill people have attempted  
to answer these charges in the news-  
papers. They say the decline in the  
price of cotton seed was brought about  
by the low price of cotton seed prod-  
ucts. The facts do not bear out this  
contention.

The South Texas Cotton Oil Com-  
pany of Victoria, Texas, on August 14,  
this year, gave a merchant at Rose-  
bud, Texas, the following prices on  
cotton seed products of this crop:

Prime cotton seed hulls, loose, at  
\$10.00 per ton, delivered at Rosebud.

Prime cotton seed hulls, in bags of  
100 pounds, \$16.50 per ton, delivered  
at Rosebud.

Prime cotton seed meal, in car lot,  
delivered at Rosebud, \$61.00 per ton;  
immediate shipment.

This shows conclusively that it is  
not the low price of cotton seed prod-  
ucts that caused the low price offer-  
ed for cotton seed but that it is for  
the purpose of making more profits  
and dividends.

The oil mills, as a rule, sell cotton  
seed oil later on in the season, usual-  
ly in the spring, and after they buy up  
the bulk of the seed they will advance  
the price of the small remnant of un-  
sold seed, and will then base the price  
of cotton seed oil, another cotton  
seed products on the price they pay  
for this small remnant of seed bought  
in the latter part of the season.

### Fall-- Winter Exhibition

We are Pleased to Announce the Open-  
ing of Our Millinery Department,  
Showing the New Fall and  
Winter Modes.

ONE of the joys of the exposition is  
the lovely thrill of "trying on" and  
comparison and then the opportunity  
to select still another and perhaps an-  
other Hat for all the varied needs the  
busy Autumn season calls forth. It is  
enough to know that Paris has had her  
clever finger in many of our models—  
'tis plainly evident too. Fabric lends  
itself well to the popular draped mod-  
els now the vogue. Embroidery, bro-  
cade, ribbon, beaver, coque, glycerined  
ostrich, paradise and jeweled ornaments  
embellish most successfully the autumn  
millinery.

## WACO POPULATION SHOWN AS 38,500

FIGURES ON GREENVILLE AND  
SIX TEXAS COUNTIES  
GIVEN BY BUREAU

Washington, Aug. 21.—Population of Waco is 38,500, an increase of 12,075 or 45.7 per cent as announced by the Census Bureau tonight. Growth of the city since 1889 is shown by the following figures: 1910, 26,425; 1900, 20,686; 1890, 14,425; 1880, 7,295. Populations of Greenville and six Texas counties were also given by the bureau. Greenville has 12,384, an increase of 3,534, or 39.9 per cent. In 1910 the town had 8,850, in 1900, 6,860, and in 1890 4,334. Figures on the counties of Gonzales, Wheeler, Pecos, Jeff Davis, Brewster and Reagan follows:

Gonzales County, 28,438, a gain of 303. The town of Gonzales in this county has 3,138, a loss of 11 in the last ten years.

Wheeler County, 7,397, a gain of 2,139.

Pecos County, 3,857, a gain of 1,786.

Jeff Davis County, 1,445, a loss of 233.

Brewster County, 4,822, a loss of 298.

Reagan County, 377, a loss of 15.

Population of Kansas City, Mo., will be announced Monday at 10:30 a. m.

### THE COTTON FARMER AND SEED PRICES.

Editor Cameron Herald:  
Dear Sir:

Cotton seed is now selling at Rosebud, in Falls County, for \$30.00 per ton, and it is most certain that the price will go still higher.

Within the last ten days farm meetings have been held in various counties, and strong protest made against the great reduction in the price of seed, and the unreasonable advance in the price of ginning.

The oil mill people have attempted to answer these charges in the newspapers. They say the decline in the price of cotton seed was brought about by the low price of cotton seed products. The facts do not bear out this contention.

The South Texas Cotton Oil Company of Victoria, Texas, on August 14, this year, gave a merchant at Rosebud, Texas, the following prices on cotton seed products of this crop:

Prime cotton seed hulls, loose, at \$10.00 per ton, delivered at Rosebud.

Prime cotton seed hulls, in bags of 100 pounds, \$16.50 per ton, delivered at Rosebud.

Prime cotton seed meal, in car lot, delivered at Rosebud, \$61.00 per ton; immediate shipment.

This shows conclusively that it is not the low price of cotton seed products that caused the low price offered for cotton seed but that it is for the purpose of making more profits and dividends.

The oil mills, as a rule, sell cotton seed oil later on in the season, usually in the spring, and after they buy up the bulk of the seed they will advance the price of the small remnant of unsold seed, and will then base the price of cotton seed oil, another cotton seed products on the price they pay for this small remnant of seed bought in the latter part of the season.

### Announcing Our Great Annual Autumn Show

# Fall and Winter Clothing

IN AUTHENTIC STYLES AND NEW CREATIONS

What the master designers have been able to achieve in the 1920 fall and winter apparel for Ladies, Misses and Children is shown in the many new and distinct styles, fabrics and models that make our new showing the most interesting in recent years.

It affords us genuine pleasure to announce the receipt of large shipments of Fall and Winter clothing with charming accessories and to every woman is offered the opportunity of viewing all that is new and striking and beautiful for Autumn. Our buyer has just returned from New York and other Eastern markets and has picked from the great expositions of the East only those creations in smart apparel for Women and Misses that are new both in fabric and design and represent the last touch of Style and beauty. It is the pride of this store that it is able to present such a complete and authentic Exposition of Autumn modes.

### For Autumn--A New Suit

Crisp cool days that urge one to be out are even more delightful when you are conscious of the newness, smartness, a beauty of a new suit. Lines, generally speaking, are youthfully straight and slim with now and then a jaunty rippled jacket. In defiance of frosts and cold weather are enormous and becoming collars of fur. Finding a suit this season that is smart, attractive and practical for many purposes is indeed simple when one sees the numbers of individual models now being displayed. The new things are here. Every woman who appreciates them will find in the new suits of YALMA cloth, the TINELTONE and other striking new fabrics all that is new in style and authentic in popular design.

### A Coat Selected Early Gives So Much More Pleasure.

Having new modes early in the season before they are worn by everyone else, the wearer gets a certain thrill of satisfaction. Why not select yours now and have it for immediate use as well as later wear? Among this collection is every new style departure you could wish for; utility coats and enveloping wraps with large draped collars, capes and fur trimmings that add to their beauty and stateliness.

The new fabric creations are here in beautifully tailored Coats of SUIDINE, CHAMOIS-TYN and YALAMA CLOTH.

### The Plaited Skirt As Popular As Ever.

Loath to discard the jaunty and dashing skirt of plaid, so beloved by women, designers have used their nimble wits and produced more Plaid Skirts just as clever and youthful as the first ones and yet very different. Knife plaitings prevail, new plait groupings are noted, pockets have vanished, and on a whole colors are a bit less giddy. Autumn days simply demand one of these skirts. They are here in this autumn revue in novelty plaids with leather belts, and in Accordion Pleated styles.

### Fall Frocks are Fascinatingly Embellished.

The Newest Things in Dresses are being shown here first. Among the more pronounced new creations causing widespread comment in the East are the DUVETYNE now being shown in this Fall and Winter Display in all popular colors.

Prodigious use of beading in black, white and iridescent colorings adorns the smart new silk and wool frocks for autumn that are fashioned on chemise, redingote or Russian lines. Embroidery and appliques of kid or contrasting fabric in gay Egyptian and Persian colorings enliven the somber smartness of brown and blue Tricotine, Twill and Duvetyn. For the glorious outdoor days when one goes without a wrap, you will want at least one of these clever frocks.

### Something New in Waists

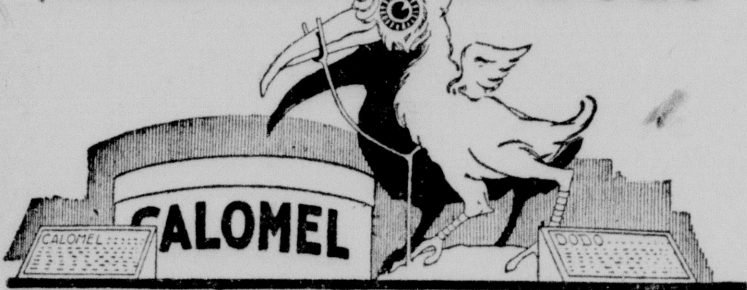

The Oriole Aztec, the premier creation of the season in all that is fashionable in waists is here in this fall showing. You will not overlook this important item in the wardrobe for autumn. We have them in all shades and sizes.

Our buyer has spared no time and expense to bring to our autumn display of clothing and accessories the best that the markets offer and it is our pleasure to announce their arrival. New Goods are arriving daily.

We extend an earnest and cordial invitation to all to visit our store now that each day sees the arrival of new goods—new style creations to enhance our autumn stocks.

Let us have the pleasure of showing you through this stock. Come in and see us. We will make it pleasant for you and it will be our delight to show you what the master designers in clothing have produced this season.

## As Dead as the Dodo

Every druggist in town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist.

### Take "Dodson's Liver Tone" Instead!

Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults.

Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition.

## HON. CULLEN THOMAS ARRAIGNS BAILEY IN SPEECH HERE

DALLAS ORATOR THRILLS BIG  
CROWD IN INTEREST OF PAT  
M. NEFF.

By T. S. Henderson, Jr.

Hon. Cullen F. Thomas of Dallas, spoke on the Court House Lawn at Cameron this afternoon at 3:00 o'clock to a large and enthusiastic audience. The temper of the crowd was in great contrast with Bailey's crowd here yesterday, when even Bailey partisans could hardly be aroused to enthusiasm. The audience today engaged in wild applause at times, and was swayed by the speaker to tears and laughter. The west side of the Court House lawn was entirely filled by a gathering which overflowed the seats that had been provided and several hundred stood in the sun for two hours listening to a masterly presentation of the campaign issues.

Mr. Thomas was introduced by County Judge W. G. Gillis, a former Thomason supporter, who reported that the Cameron Neff Club had already enrolled 580 members, commenting on Bailey's speech here yesterday, Judge Gillis asked why Bailey was getting the character of support he has here if he is as good a prohibitionist as he says he is, calling the names of some half dozen former anti leaders who are Bailey leaders here.

Mr. Thomas' address contained some new matter, in addition to his usual lines of argument. In answer to Bailey's criticism of Neff's "Land Plank," he read an extract from a message of Thomas Jefferson, written in 1805, in which the father of democracy advocated the identical principle of Neff's land plank. He read from "Who's Who," which he described as a collection of the autobiographies of conspicuous Americans, the autobiography of Joseph Weldon Bailey, in which his office address is given at Southern Building and "Home: 1520 16th St. N. W." Washington.

Mr. Thomas said he was opposed to Bailey for three reasons: because he is not a good Texan; because he is not a good Democrat; and because he is not a patriotic American. Taking up each point separately, he said that irrespective of the legal phase of Bailey's residence in Washington he is unfitted to be governor because he is not in touch with Texas affairs and Texas aspirations; he is not a good Democrat because he is not in touch with Democratic thought and leadership, or with the Democratic masses of Texas; he would not have been at home at the San Francisco Convention when the delegates went wild at the sight of Wilson's picture. Stating that the platform is a yardstick to measure a man's democracy, the speaker said that Bailey has refused to say whether he stands on that platform, and proceeded to take up many planks in detail, declaring that Bailey has pronounced himself as opposed to the purpose of each one; ending with the declaration that every plank in the platform is a denunciation of Bailey's war on Democracy. He called attention to Bailey's votes with Aldrich, his friendship for Sibley, and his defense of Lorimer and vote for an appropriation for Lorimer's expenses.

He discussed Bailey's professed friendships for the farmers along the usual lines, calling up his votes against many pieces of national leg-

### MEAT CAUSE OF KIDNEY TROUBLE

Take Salts to Flush Kidneys if Back Hurts or Bladder Bothers

If you must have your meat every day, eat it, says a noted authority; but eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.

islation which were designed to aid the farmers.

Mr. Thomas' discussion of the labor question and the open shop went to some length, being an elaboration of the usual lines of the Neff speakers, and declaring that Bailey was trying to stir up class prejudice. In this connection he called attention to Bailey's failure to denounce profiteering and quoted statistics to show that profiteering was more responsible for the high cost of living than high wages.

Declaring that there is no room in Democracy for any man who does not stand four-square for the League of Nations, he took a vote of the crowd on the League. There were two noes, of whom was a candidate for office on the "American" Party ticket.

In a graphic review of Bailey's war record, Mr. Thomas said that Bailey had failed his country in the time of his country's need.

He said we honor Bailey's sons for going to war, but Bailey cannot borrow their glory to use in a political campaign in peace time, to hide his own failure to aid his country. He stated that a man who would make a four minute speech during the war should not want to make a four hour speech in peace time.

He closed with a brilliant flight of oratory, asking what Bailey would have done if he had been governor during the last four years, and what he would do if he were governor during the next four years with war clouds on the horizon toward Japan and the Bolsheviks and should again go to war. He also called attention to the fact that it might be possible for the governor to have to appoint a senator, and that senator should be in favor of the League of Nations. Would Bailey appoint such a man?

Mr. Thomas was entertained at the home of Hon. T. S. Henderson for dinner, and left this evening for dinner, and left this evening for

### CITATION BY PUBLICATION

THE STATE OF TEXAS  
To the Sheriff or any Constable of Milam County,—Greeting:

You are hereby commanded to summon Charles McGee by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the District Court of Milam County, to be held at the court house thereof in Cameron on the 6th day of September 1920, the same being the 1st Monday in September, 1920, then and there to answer a petition filed in said court on the 31st day of July, 1920, in a suit, numbered on the docket of said court No. 8224, wherein Rachel McGee is plaintiff and Charles McGee is defendant, said petition alleging: That on or about the 14th day of March, 1914 that plaintiff was lawfully married to defendant; That they lived together as husband and wife until the 15th day of September, A. D. 1915, when defendant without cause or default of this plaintiff, left the board and bed of said plaintiff, with the intent to permanently abandon her; That this plaintiff has not lived with or cohabited with defendant since the last named day and date, nor has she even seen defendant since said date so last named. Wherefore plaintiff prays the court that defendant be cited by publication as the law directs, to appear and answer this petition; and upon final hearing she have judgment dissolving said marriage relation; for cost of suit, and for such other and further relief, special and general, in law and in equity, that she may be justly entitled to.

Herein fail not, but have before said court this writ on the said first day of the next term thereof, with your return thereon, showing how you have executed the same.

Witness, Penn Wolf, Clerk of the District Court of Milam County, Texas.

Given under my hand and the seal of said court, in Cameron, this 31st day of July, A. D. 1920.

14-41 PENN WOLF,  
Clerk of the District Court, Milam County, Texas.

### LADIES! DARKEN

### YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and Nobody Will Know

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to gloss her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," you will get the famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known down-town druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

## SOLDIERS OF 90TH DIVISION PLANNING SEPTEMBER REUNION

OKLAHOMA CITY SELECTED AS  
MEETING PLACE FOR MEN  
WENT OVER TO FIGHT

Reports received from all sections of Texas and Oklahoma are to the effect that many of the 90th Division will attend the second annual reunion of that famous fighting unit. The reunion will be held on September 25, 26 and 27, at Oklahoma City. These dates mark the first three days of the Oklahoma State Fair and special railroad rates will be in effect. Arthur J. Reinhart of Dallas, Secretary of the Association, recently made a trip to Oklahoma City in the interest of the reunion. He is highly elated over the progress that is being made to take care of those who attend the reunion and predicts that the meeting will be largely attended and that every member who does attend will be pleased at the cordial reception they will receive from the people of Oklahoma.

The 90th Division was the first division of Texas and Oklahoma men to reach France and saw heavy fighting in helping to wipe out the St. Mihiel salient and also in the Meuse-Argonne campaign. Afterwards the division served in Germany as part of the Army of Occupation. The division was made up almost entirely of the first contingent of the selected service men called to the colors from Texas and Oklahoma. Nearly all of the junior officers of the division were made up of men who secured their commissions at the first officers' training school at Leon Springs. The division, during its active service on the fields of France, suffered over 9000 casualties and many a lad from Texas and Oklahoma who went out with the division, now sleeps in France.

The first reunion of the division was held in Dallas last year during the State Fair of Texas. At that meeting Major Ike S. Ashburn, who was twice wounded while leading his battalion, was elected president, and Arthur J. Reinhart, who was a sergeant in the division, was elected secretary. Major Ashburn when he entered the officers' training camp at Leon Springs, was publicity director of the A. and M. College of Texas. He graduated from the training camp with the rank of captain but was soon promoted to a major and went overseas with this rank. Before going with the A. and M. College, he was a newspaper man. He is now civilian commandant at this well known state institution of learning.

President Ashburn is very anxious that a large number of former members of the division attend the reunion. He urges every man who was ever connected with the division in any capacity to attend the meeting

and help make the gathering a success.

An interesting program is being arranged for the three days and everything is being done that can possibly be done by the people of Oklahoma City to help make the stay of the veterans in their city a success in every way. City and county officials, Chamber of Commerce officials, members of the Oklahoma City Post of the American Legion and various civic organizations will aid in entertaining the members of the Association.

Thousands of Americans who served as balloon pilots observers in the army and navy during the war will journey to Chicago September 11, to see the elimination race for the international balloon race to be started from that city on October 23.

The race will be held from the White City, Chicago because of inability to obtain gas for inflation of the balloons at Indianapolis. According to an announcement of the Aero Club of America, fifteen entries have been received; including such well-known pilots as Ralph H. Upson, aeronautical engineer of The Goodyear Tire & Rubber Company, and present holder of the Gordon-Bennett trophy, Captain Dale Babry, Lieut. B. T. Burt, Lt. R. S. Olmstead, Lt. G. W. McIntyre, Lt. R. E. Thompson, and Lt. H. E. Weeks of the U. S. Army; Lt. Raffie Emerson of the U. S. Navy; A. Leo Stevens of the U. S. Army Balloon School at Fort Omaha; H. F. Honeywell of Clayton, Mo.; W. A. Assman of Little Rock, Ark.; J. S. McKibben, E. S. Cole and A. C. Hopkins, Capt. J. N. Reilly and Bernard von Hoffman, all of St. Louis; R. F. Donaldson of Springfield, Mo.; and Warren Ransom of Brookville, Ohio.

Upson, holder of the Gordon-Bennett trophy, for which the international race will be run, won the right to defend America's honors next October by winning from a large field, the last international contest in 1913 by a flight of 400 miles from Paris to Bridlington, England, R. A. D. Preston was his aide.

The war prevented all international races scheduled since 1913, but the race will arouse greater interest because of the added impetus given aeronautics by the conflict.

Regardless of in what position he finished in the elimination race, Upson will captain the American team that will compete against three entries from Italy and France, and one each from Great Britain and Belgium. He will use the balloon Goodyear II with which he won his last national race in 1919 by a flight of 1020 miles from St. Louis to Dunham, Quebec.

In Upson, A. Leo Stevens and H. F. Honeywell, the United States has three pilots of international reputation and experience, so that the outlook is bright that the Gordon-Bennett trophy will remain in this country and that the next international contest will be staged in America.

We wish to call your attention to the display ad in this issue of the W. B. Land Co. of Sweetwater, Texas, advertising improved farms in West Central Texas. 15-4t

## WATER WORKS MAN GIVES OUT FACTS

"I have been trying for years to get something that would relieve me of my troubles and have found it at last in Tanlac," said Alfred Jolly, of 3291 Quitman street, Denver, Colo., and an employee of the water works department of that city.

"For a long time," he continued, "my stomach was in such an awful fix that I could eat hardly a thing without being in misery afterwards. Even the lightest foods would bloat me up with gas and I was constantly belching up sour, undigested food that at times would almost choke me, and often I would get so dizzy and light headed that I would almost fall down, and I would get so nervous that it was almost impossible for me to rest at night. I suffered agony wretched condition that I was hardly fit for a thing."

"After trying nearly everything I could hear of I took Tanlac, and it sure hit the spot and has made a different man of me. My appetite is splendid, my nerves steady, I sleep like a log at night, have gained eight pounds and am in better shape than I have been in years."

"Tanlac is sold in Cameron by New Cameron Drug Co., in Rockdale by Baldrige Bros., in Milano by E. C. Smith and in Burlington by the New Drug Store."

## PROMINENT DOCTOR AFTER TRYING OUT ALL OTHERS CHILL TONICS SAYS DENHALL'S BEST

Dr. R. S. Pierce, proprietor city pharmacy, Marianna, Fla., writes: "A few years ago when I purchased this drug store I found six dozen bottles Mendenhall's Chill and Fever Tonic in stock and it was totally unknown to the trade. I noted on the circular the quinine strength and placed it in the hands of a number of my patients to try it out. They were so universally pleased with the preparation I decided to try it in my own family and my wife now will use no other for our children." For sale by Avera's Drug Store.

**No Worms in a Healthy Child**  
All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

## Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

## CARDUI The Woman's Tonic

She writes further: "I am in splendid health . . . can do my work. I feel I owe it to Cardui, for I was in dreadful condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.

# SAN GABRIEL GOSSIP

By Mrs. J. S. Woody

San Gabriel, Texas, August 24.—The little gales from the north have made their debut for the season and are stirring thing around slightly—for a few hours occasionally. They are reminders that soon the bleak winter slips in to succeed the summer and thus puts an incentive into the breasts of man to make hay while the sun shines and lay by for the rainy day.

The gathering of cotton is very much interfered with, by the frequent rains.

However, a pretty steady run is kept up by our village gin. There were 131 bales ginned last week.

Joe Taylor and family of Dallas, are visiting her parents here, Mr. and Mrs. Max Cummings.

Jim Guthrie attended business in Rockdale last Monday.

Will Lee was a visitor in Taylor Thursday.

Messrs. Jack Dunham, Elbert and Tom Felton, Jr., J. S. Woody, W. S. Glascock and son Guy, H. H. Camp, Bud Guthrie, Ted Adams, A. R. Glascock and son, William, John Davis, A. M. Camp, J. M. Gilchrist and Henry Camp attended the Bailey speaking in Cameron last Wednesday.

Rev. John Moore and family were in Lilac Monday afternoon.

Mrs. Howard Amason and children of Austin came in last Thursday to make a visit here to her parents, Mr. and Mrs. A. M. Camp and other relatives.

Clyde Lawson of this community, and Miss Katy, Dunham of Duncan, were married last week.

Mrs. Vira Camp returned Saturday from Huntsville.

Mrs. Ed Kirkman and little daughter, Sarah Mae, returned Sunday from a week's visit to relatives in Waco. While in that city Sarah Mae underwent an operation for tonsils and adenoids.

Misses Ora Yeager, Eula Gilchrist and Verna Roberts finished the summer course at San Marcos State Normal and returned to their homes in this community last Thursday.

Branch Lewis of Rockdale was in this vicinity Friday.

DeLeslie Richardson returned Monday from a few days' stay in Houston, where he went in quest of cotton pickers.

Mrs. Tinny Lindsey was shopping in Thorndale Saturday.

H. M. Camp is now riding in a beautiful new 8-cylinder Oldsmobile, purchased last week.

## Mr. Bailey Repudiates His Own Language

In a speech at Taylor on August 17, 1920, Mr. Bailey stated: "They told you I did not want to make Liberty Bond speeches because I was unwilling to advise my friends to make a bad investment. This is an unadulterated lie. I did not refuse to make speeches for any such reason as that."

Mr. Bailey spoke at Austin on April 9, 1920, and his speech was taken word for word by Mr. Charles E. Pickle, a thoroughly competent stenographer. In that speech Mr. Bailey used this language:

"They say that I refused to speak at a Bond Selling Meeting one night, and that is true. They came to my office and asked me to go to one of the theaters there. I said, 'No, I must not.' I said, 'If I told these people the truth they would not buy your bonds, and I would not tell them a lie, even to get them to buy your bonds.' He said 'What do you mean?' I said, 'I simply mean that the bonds you are selling will go below par. Many a poor man who is buying them now will have to sell them at a discount, and I cannot go there and tell them anything without telling them the truth.' Was it a crime that a man should not lie, even for his country? What do you think about that? I was right, wasn't I? The bonds did go to a discount, and are at a discount now;

thrie are visiting relatives near Salty this week.

r. and Mrs. Reid of Bartlett were guests of C. Yeager and family Monday.

Ed Kirman and daughters, Misses Lola and Cora, motored to Cameron Sunday.

Messrs. Elbert Felton, H. H. Camp, J. S. Woody, Tom Felton, Jr., J. M. Gilchrist, Bud Guthrie attended the Pat Neff speaking in Taylor Wednesday evening.

Miss Clara Moore is visiting in Thrall this week.

Dick Dunham is now discharged from army service and is spending a while here with homefolks.

Mr. and Mrs. Will Elison were in Thrall Saturday.

Mrs. Barron was trading in Thorndale Saturday.

Misses Gertrude and Lovey Locklin and Maree Moseley were shopping in Thrall Saturday.

E. M. Perry was on the sick list last week.

## DINNER PARTY

The handsome home of Dr. and Mrs. Jim Watson was all aglow last Wednesday evening when they entertained a few friends at a seven o'clock dinner.

Even the passer by caught a glimpse of the beauty and splendor within and they saw brilliantly lighted rooms decorated with pink queen's wreath, and ferns. A handsome board was laid in blue luncheon set; white and pink dinner set, with a most graceful centerpiece of a gold basket filled with pink queen's wreath tied with blue moline, the place cards in pink and blue with basket design. Around this board were seated Mesdames Frank Hickland of Weatherford, as honor guest, John Watson, Mr. and Mrs. Oxsheer Smith, Mr. and Mrs. R. D. Brown, Dr. and Mrs. Jim Watson, Miss Lilla Bassett of Dallas, and Mr. T. F. Hardy.

Mrs. Watson herself served a splendid four course dinner.

## Menu

Fruit Cocktail  
Fried Chicken, Stuffed Peppers, Rice  
Dressed Eggs and Tomato Salad,  
Hot Rolls, Butter, Olives,  
Crackers  
Combination Salad in Gelatine Molds,  
Wafers

Ice Cream Angel Food Cake  
Between courses Mrs. Watson had planned a novel mode of entertainment and as she went in and out among them they found slips of paper under their plates and in the spur of the moment had to comply with the request.

Mr. Oxsheer Smith was asked to tell why he was going to vote for Joe Bailey, Dr. Jim Watson why he wished patients to eat onions before coming to his dental chair, and so on through all the guests.

Next nursery rhymes from which to write a parody for the newspaper, social, local or advertisement.

All these were done and very cleverly too and afforded much merriment and the party lingered around the board for two hours.

## THURSDAY READING CLUB

A number of Cameron ladies motored to Rockdale Thursday afternoon to attend a reception given by the Thursday Reading Club at the home of Mrs. Ed Simms.

It was the sixth anniversary of its organization and the reception was in the nature of a birthday party.

Before the guests entered they were served punch on the porch by daintily dressed girls.

They stepped into the reception suite which was gorgeous in white roses, lilies, and crocus. The dining room was in blue and white, the centerpiece on the table was a large white birthday cake with six blue candles and the date on top. This was surrounded by white crocus and fern. Here sandwiches and punch were served.

Those attending from Cameron were: Mesdames Jim Watson, Bill Alex Bonds, Misses Katie, Winnie, and Mary Lake Henderson, Lilla Bassett of Dallas.

## KAMERON KAMP DANCE

Thursday night the young men of the Kamp Krowd entertained at the Legion Hall. It was more especially in compliment to the Calvert young men and ladies who entertained them so royally last week.

The Lone Star Five band of Waco, furnished music and ten gallons of delicious punch was served throughout the evening by Misses Bessie Wiley,

Velda Walker and Agnes Henderson.

There were about twenty couples dancing and Mr. and Mrs. Oxsheer Smith, chaperoned.

## NELSON GREEN ENTERTAINS

Last Friday Nelson Green gave a dinner party at twelve o'clock. Eight boys were seated around a bountiful board made attractive and beautiful with a center piece of white roses and tube roses.

Boys do not care for a prolonged course dinner, so Mrs. Green served only two courses consisting of fried chicken, tuna salad, creamed potatoes, rice, tomatoes and pickles and finished up with ice cream and cake.

After the dinner the boys played "42" awhile and then went to the swimming pool.

Those attending were: Mike Wiley, Sam and Frank Cheeves, Reed Rogers, Clarence Sapp and Bill Baskin.

## SIGMA PHI-KILLKARE

Miss Olive McGehee was hostess to these clubs last Friday afternoon at five o'clock at the home of Mrs. O. L. Kidd.

All kinds of beautiful cut flowers throughout the entire reception suite made a pretty setting for the merry maids and matrons of the two clubs, almost all of which were present.

This being the last meeting before the girls separate for the winter to take charge of their schools, there was interesting exchange of plans and ideas for the coming season.

A delicious course of chicken salad, pear, salad, crackers, olives and ice tea was served.

## MISS ATKINSON ENTERTAINS

Friday at seven-thirty o'clock at the beautiful country home of Mr. and Mrs. Hubert Atkinson, near Maysfield, their daughter, Miss Emma entertained at dinner.

Six couples from Cameron motored out for the evening's pleasure.

The Atkinson home was bright and cheerful in red and white decorations, red zenias and white clematis and ferns. Red zenias graced the center of the dining table, dainty place cards in lighted lamp post design with verses on each, some of which were: "Don't let the grass grow under your feet, but eat hearty," "This shows my home address," and "You have a good address, let's hear you talk."

A delicious chicken dinner with all the "accessories" was served followed by ice cream and cake.

Those seated at this hospitable board were: Misses Anna Lou Baskin, Louise Gillon, Arnette Tabor of Austin, Mildred Chambers, Katie McCall, Irene Cheeves, Emma Atkinson, Messrs. Hubert Atkinson, Ernest Wiley, Claud Triggs, Elliott Atkinson, Emil Klatt, George Childress, Ben Baskin.

## HOPELESS DISEASES CAN NOT BE CURED BY DOCTORS OR MEDICINE

There are some diseases which are absolutely hopeless and past cure by any physician or medicine, but they may be palliated and a medicine, if it does not help in one case, may help in another. To any one suffering from a disease a remission is a degree of health and a medicine that relieves or palliates a disease is of great benefit. We can not guarantee to cure any disease with Number 40 For The Blood, but we quote word for word what the ingredients in 40 are recommended for in the U. S. Dispensary and New American Materia Medica: "In the treatment of blood troubles an acknowledged remedy among all schools of physicians, removes the cause of dis-ease, stimulates the removal of waste, thus indirectly encouraging nutrition. Disorders of the nervous system demand this remedy, such as neuralgias, chronic rheu-

matism, gouty conditions, auto-intoxication, constipation. Used with phenomenal success in eczema and skin diseases, lumbago, glandular swellings, ulcerations of mucous membranes and in general disorders of the stomach, liver, kidneys and spleen." Prepared by J. C. Mendenhall, Evansville, Ind., 40 years a druggist. W. S. King, 802 E. 4th St., Pueblo, Col., makes the following statement: "I suffered for a number of years with kidney trouble, sciatic rheumatism and constipation, tried numerous remedies with little or no benefit. I was induced to try Number 40 For The Blood. I found I was benefited from the start, and after taking six bottles received such wonderful and satisfactory results, I am prompted to make this statement." Witness to signature, Edward Reiss, druggist.

## SWIMMING PARTY

Friday morning from six to eight o'clock those living in the neighborhood of the Natatorium did not get their second morning nap for shouts of laughter and screams of delight came from the popular "nat."

Arthur Taber and Glenn Flinn were hosts at a swimming party. Eight couples participated with Mr. P. O. Adams as chaperone.

## MISS DOSSETT

Saturday morning Mrs. W. H. Henley entertained in honor of her niece, Miss Elizabeth Dossett of Waco.

The home was fresh and beautiful in cut flowers and ferns—a fragrant and bright setting for the nine summer girls who were bidden to the reunion, as it were, for they were all Miss Dossett's classmates in Cameron High School.

These girls had made and kept memory books when schoolmates together, and Miss Motie Cass brought hers along and quite a merry time was had in looking over and reading from it.

Mrs. Henley served a delicious luncheon consisting of sliced ham, hot rolls, butter, tomatoes, olives and ice tea.

Those present were: Misses Dossett of Waco, Motie Cass, Mary McLane, Virginia Vest, Gladys Walker, Catherine Walker Catherine Flinn, Lola Greer of Austin, Mabel Jeter and Mrs. Ira Perry of Dallas.

## A SHOWER

When Mrs. Max Collins returned last Tuesday afternoon and was driven to her new home the hurt of the loss by fire of the old one was made

lighter by the kindness and love of the ladies of Cameron.

On entering the dining room she found the table laden with household effects—quilts, one dozen sheets, pillow cases, towels, dresser scarfs. In the kitchen was a beautiful display of aluminum, and many other things, too numerous to mention.

A note accompanying the gifts read thus:

Dear Mrs. Collins:

While you are not a newly wed, still your friends thought it would not be amiss to shower a bride of twenty or more summers. We hope that these gifts will, in a measure, take the place of those you lost; and we wish you much happiness.

## TACKEY PARTY

At Mr. and Mrs. Bob Terry's last Friday in honor of Mr. Ed Neinast about fourteen couples assembled.

The house was decorated throughout with yellow sunflowers.

When all costumes were inspected it was decided that Miss Bernice Terry and Albert Collins were dressed the tackiest.

A contest for telling the biggest "fish" story Albert Collins was given a red stick of candy.

Hats were made out of tissue paper and Homer Jacobs won the prize for the tackiest one made and Ray Tyson for the prettiest and were given boxes of chicklets.

Dancing and old-fashioned games were played.

Red lemonade served from a lard can with tin cups, and pop corn were served.

## ? HOW OLD IS MISTER PAT NEFF ?

## READ THE EVIDENCE

IF HE HAD NOT PASSED HIS FORTY-SIXTH BIRTHDAY ON SEPTEMBER 12, 1918 (the date set for registration), He WAS SUBJECT TO THE DRAFT LAW.

Here is an excerpt from Section 3 of the Draft Act approved August 31st, 1918:

"Persons shall be subject to registration as herein provided who shall have attained their eighteenth birthday and who shall not have attained their forty-sixth birthday on or before the day set for registration."

IF PAT NEFF WAS BORN ANY TIME AFTER SEPTEMBER 12, 1872, HE WAS SUBJECT TO REGISTRATION AND THE DRAFT! HE DID NOT REGISTER!

Here is some of the evidence upon the issue of his age:

(1) The law requires the Tax Collector or his deputy to swear a voter with respect to his age when he issues a poll tax receipt. Here are true copies of Neff's poll tax receipts issued December 31st, 1918, and January 10, 1920.

POLL TAX RECEIPT  
STATE OF TEXAS, County of McLennan.

Received of Pat M. Neff on the 31st day of December, A. D., 1918, sum of one and 75-100 dollars in payment of poll tax for the year A. D. 1918.

The said taxpayer, being duly sworn by me, says he is 46 years old, that he resides in voting precinct No. 2 in McLennan County; that his race is white; that he has resided in Texas forty-six years; that he is by occupation lawyer; that he resides at No. 2110 on Austin Street in the second ward and has resided in the city of Waco for the past twenty-five years. All of which I certify. LEE R. DAVIS, Tax Collector, County of McLennan.

We certify that the foregoing is a true and correct copy of the poll tax receipt issued to Pat M. Neff for the year 1918 as shown by the records in the office of the Tax Collector of McLennan County, Texas. Witness our hand and seal, at office in Waco, Texas, this 21st day of August, A. D., 1920.

CENTRAL TEXAS ABSTRACT COMPANY, By Geo. H. Gay, Manager.  
THE ABOVE SHOWS THAT ON DECEMBER 31ST, LESS THAN FOUR MONTHS AFTER THE TIME FOR REGISTRATION, NEFF THUS DECLARED THAT HE WAS FORTY-SIX YEARS OF AGE, HIS BIRTHDAY HAVING BEEN ON NOVEMBER 26TH TWO MONTHS AND FOURTEEN DAYS AFTER THE REGISTRATION DATE.

POLL TAX RECEIPT  
No. 1077, January 10th, 1920.—TriPLICATE.

Received of Pat M. Neff:  
THE STATE OF TEXAS, County of McLennan.

Received of Pat M. Neff, No. 1077, on the 10th day of January, 1920, the sum of one and 75-100 dollars in payment of poll tax for the year 1919. The said taxpayer, being duly sworn by me, says he is 47 years old; that he resides in voting precinct No. 3, in McLennan County, Texas; that his race is white; that he has resided in Texas 47 years; that he is by occupation lawyer; that he resides at No. 2110 on Austin Street, in the third ward, and has resided in the city of Waco for the past 25 years. All of which I certify. LEE R. DAVIS, Tax Collector. (Seal)

THE STATE OF TEXAS, County of McLennan.

Before me, the undersigned authority, on this day personally appeared Warren Wood Hunt, who on oath says that he is a resident citizen of Waco, McLennan County, Texas, and was formerly official court reporter for the Fifty-Fourth Judicial District of McLennan County, Texas; that he personally made an examination of the poll tax records of McLennan County in the Tax Collector's office showing the poll taxes paid as assessed for the year 1919; that he made a copy of said records as to the poll tax receipt of Pat M. Neff, as shown by said record.

Sworn to and subscribed to before me, this 21st day of August, A. D. 1920.

Notary Public in and for McLennan County, Texas.  
The above shows that on January 10, 1920, Neff swore that he was then 47 years of age. His nearest birthday then was November 26th, 1919, and if the affidavit is correct it would fix his birth date as November 26th, 1872.

(2) During February, 1920, Neff circulated at Hillsboro a campaign card. On one side of this card appeared his picture and the following: "Pat M. Neff of Waco, Texas, candidate for Governor, subject to Democratic Primary July, 1920. Over." On the other side of the card was a personal sketch, the opening sentence of which reads as follows: "Pat M. Neff IS A NATIVE TEXAN 47 YEARS OF AGE." Neff's nearest birthday to the distribution of this card was November 26th, 1919. If he became 47 years old on November 26th, 1919, HE WAS BORN NOVEMBER 26th, 1872. REMEMBER, this was Neff's own statement.

(3) In the yearbook of Texas published in 1903 by the Librarian of Texas, Honorable C. W. Rains, appears the following statement: "Pat M. Neff was born near McGregor on November 26th, 1872." Undoubtedly this date was furnished by Neff.

(4) On page 2081, Volume 11, of "WHO'S WHO IN AMERICA," 1920-1921 EDITION, appears a character sketch of Mr. Neff. The publishers of this book declare that "Sketches for Who's Who in America are prepared from first hand material only." As a matter of fact, the material is furnished by the subjects of the sketches themselves. In said sketch it is said:

Neff, Pat Morris, Lawyer, born McGregor, Texas, November 26th, 1872 etc.

(5) W. A. Fraser, a high officer of the Sovereign Camp of Woodmen of the World of America, and a supporter of Neff, Omaha, Nebraska, wired a member of a Woodman Lodge in Texas August 21st, 1920, as follows:

"Neff born '72. Policy issued 1905. Hope he will be your next Governor.

This means that Mr. Neff's application for a Woodman policy and

for membership in the lodge states his birth date as being November 26th, 1872. The telegram was in response to telegraphic inquiry as to what the Woodman records show about Neff's age.

(6) MARTINDALE'S AMERICAN LAWYERS' DIRECTORY is an annual publication in general use by the lawyers of the United States, and each volume contains a brief history of each lawyer. The data for this publication is gotten first hand, and whenever there is a change in the law partnership the publishers call upon the particular lawyers affected for correct data. The volumes of this publication can be seen in almost any lawyer's office; they have been examined for the period from 1915 to 1920 and each year Neff is shown to have been born in 1872. Neff has had constant access to these volumes all these years, and if the data about him was incorrect he should have had it corrected.

(7) The Legislative Records during the period of Neff's membership shows his age. The Manual for 1901 states his age as being 28 years at that time. His birthday nearest to the publication of this manual was November 26th, 1900. This fixes his birth date as November 26th, 1872. The Manual for 1903 shows his age then as being 30 years. His birthday nearest to the publication of this Manual was November 26th, 1902, and this fixed his birth date as being November 26th, 1872. The data for these official records was furnished by the various members of the Legislature. Neff was a member of the House in 1901 and was Speaker of the House in 1903 and it was a part of his official duties to see to it that the records were correctly kept.

(8) Congressman Tom Connally was a member of the House when Neff was elected Speaker. In a speech supporting Neff's nomination for Speaker in 1903, Mr. Connally said: "It is hardly necessary to speak of his service. YOU KNOW HOW HE ENTERED HERE AT THE AGE OF TWENTY-SIX, etc., etc." See page 6, House Journal, 28th Legislature, Regular Session. Neff "ENTERED HERE" in January, 1899. The birthday nearest to his entry into the Legislature was November 26th, 1898, and this fixed his birth date as November 26th, 1872. Neff, undoubtedly, would have corrected Mr. Connally if an erroneous statement had been made!

(9) In the issue of January 14, 1903, The Dallas News reported Neff's election as Speaker of the House and gave a biographical sketch. Among other things, it said: "PAT M. NEFF WAS BORN AT McGregor, Texas, Nov. 26th, 1872." Neff, in his recent speeches, has repeatedly said that the Dallas News is correct in its reports.

(10) Every man and woman who has attended the University will remember that he or she was compelled to fill out a detailed report of his or her family history at the time of matriculation and file the same. Neff attended the University and in his report stated his birth date as being November 26th, 1872.

MIND YOU: All of the above evidence came into evidence through a series of years and under circumstances when there was no motive to make incorrect statements and is, therefore, entitled to credibility. Some of it was made under circumstances constituting a violation of the statutes of Texas if it were false; and the rest of it was made when it was of importance for it to be correct.

Neff now says that he was born November 26th, 1871 and relies upon an alleged entry in a Bible to substantiate his statement. According to Neff his Bible has been in the family for "seventy-five years," but according to the Dallas News of August 22nd, 1920, "the date in the front of the book (Bible) shows it was printed in 1867," only fifty-three years ago. In this connection The News of August 22nd, 1920, contains an affidavit showing entries in this book PRINTED IN 1867, as follows: Marriage of Noah Neff and Elizabeth Shepherd, October 26th, 1854; birth of Edward Neff, Dec. 31, 1855; birth of Charles Neff, April 7th, 1857; birth of Sam Neff, Sept. 25th, 1858; birth of Ben Neff, Nov. 29th, 1860; birth of Robert Neff, August 21st, 1862; birth of Sallie Neff, Dec. 9, 1864; birth of David Neff, Oct. 28, 1866. The last of these events happened one year and the first happened thirteen years before the book itself was printed! This circumstance under the rules of evidence would exclude the book from evidence in a court of justice unless the circumstances were further and properly explained. And before it could be offered in evidence in a court of justice the person, or persons, interested in disputing its accuracy would have the right to inspect it for evidence of alterations. With respect to the credibility to be given Bible entries when a man's age is in question the court in the case of St. L. S. W. Ry. Co. vs. Bowles, 72 S. W., 454, said: "It is insisted that in proving age the record of births in the family Bible is the best evidence. Such record is hearsay, IT IS NOT THE BEST EVIDENCE." And why it is not the "best evidence" everybody who gives the matter thought will understand.

If the facts stated in Neff's oath before the Tax Collector are correct, if the facts stated in the other records, are correct, then, without question, Neff had not reached his forty-sixth birthday on Sept. 12th, 1918, and it was his duty to register.

If the facts were incorrectly stated by Neff when he took the oath before the Tax Collector, and if he knew they were incorrect, then another serious criminal offense was committed.

If Neff thought he was stating the real facts in his oath before the Tax Collector, and in his campaign cards, and elsewhere, then without question, at the time for registration in 1918 he thought he was not forty-six years old and it was his moral and patriotic duty—if not his legal duty—to register on September 12, 1918.

If the facts were incorrectly stated in his oaths before the Tax Collector and in his campaign cards and elsewhere, why did he state them incorrectly?

The conclusion is irresistible that Neff was either not forty-six years old Sept. 12th, 1918, or he thought he was not forty-six years old on that date. If this conclusion is correct, then Neff either violated the draft law (in the event he was in fact under forty-six years old) or he thought he was escaping the draft in violation of law (in the event the Bible entry is correct), or that he was ignorant of the draft?

Richmond, Texas, Aug. 20.—Vince Zachek, a prosperous Bohemian farmer living seventeen miles west of here, was found dead at his home.

He was shot in the back of the head almost disemboweled and his throat cut from ear to ear. The body was propped up beside a table in the yard and covered by a quilt which had been saturated with oil and set on fire.

Near the man was his dog, with its throat cut and a cat disemboweled.

His wife was the only person on the place. She said he cut himself open and then asked her to cut his throat, which she says she did. She could not tell how he was shot in the head.

The woman was arrested and placed in jail here.

About a year ago she was arrested for lunacy, but was released at the request of her husband, who said she was not of unsound mind.

## You Do More Work,

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a potent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

## CITATION

### THE STATE OF TEXAS

To the Sheriff or any Constable of Milam County,—Greeting:

You are hereby commanded to summon Harold W. Tozer by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the District Court of Milam County, to be holden at the court house thereof in Cameron, on the 6th day of September 1920, the same being the 1st Monday in September 1920 then and there to answer a petition filed in said court on the 20th day of April, 1920, in a suit, numbered on the docket of said court No. 8175, wherein Mrs. Pearl Murphy and James A. Murphy are plaintiffs and Harold W. Tozer is defendant said petition alleging:

That defendant executed a note of \$90.00 on December 27th 1915, payable to J. A. Murphy on April 27th, 1916, with ten per cent interest and the usual ten per cent attorney's fees, and to secure payment of same executed a deed of trust to C. Witte, trustee for J. A. Murphy, conveying in trust Block 7 in Dillon's Addition to the town of Burlington, Milam County, Texas. That J. A. Murphy died on the day of 1918, and no administration was had on his estate and none was necessary; that plaintiffs are his sole heirs at law, and plaintiff James A. Murphy is a minor and sues herein by plaintiff Pearl Murphy as his next friend. That defendant has failed and refused to pay said note or any part thereof, whereby it

has become necessary for plaintiffs to place same in the hands of their attorneys for collection, and plaintiffs have contracted to pay said attorneys said ten per cent attorneys fee, whereupon said attorneys fee has accrued. Plaintiffs pray for citation and for judgment for amount of principal, interest and attorneys fees due on said note, for foreclosure of the deed of trust lien securing payment of said note, and for costs of suit and general relief.

Herein fail not, but have before said court on the said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness, Penn Wolf, Clerk of the District Court of Milam County, Texas.

Given under my hand and seal of said court, in Cameron, this the 5th day of August, A. D. 1920.

## The Reward of Persistent Thrift

Persistent Thrift is not difficult—simply adopt a definite plan of saving and arrange your mode of living to meet it.

One of the best methods to accomplish this is to make an allowance for each item of necessary expense, confining your expenditures within this limit.

# Announcement

This is to announce to the public and to meat consumers in Cameron and Milam County that we have purchased the Carter Meat Market in Cameron and have taken charge of the business and will conduct it in the future.

We wish to impress upon the public the character of service and the high quality of fresh meat and other meat products that will be sold in this market under the new management. It will be our policy to handle only the best of everything in meat and meat products such as handled in the more modern and up-to-date markets of the cities and in so conducting this market we feel that a general demand will have been met in Cameron.

Practically all of the meat to be sold in the market will be raised on our farms and ranch in this county. We will carry the best at all times and ask the people of Cameron to give us patronage.

We will deliver meat in the forenoon from seven to nine o'clock; and in the afternoon from four to six o'clock. We are now remodeling the market and making everything sanitary and clean.

Yours very truly,

## NEFF PREDICTS ELECTION BY 100,000 VOTES

Fort Worth, Texas, Aug. 25.—"If Republicans are kept from participating in the Democratic primary Aug. 28 and the election laws are strictly enforced, Joe Bailey will be defeated by 100,000 votes," stated Pat M. Neff of Waco, candidate for Governor, who was in Fort Worth Friday morning.

Neff came to Fort Worth from Decatur, where he spoke Thursday afternoon. He left here for Van Alstyne Friday afternoon. He will make a brief address there, leaving in time to speak at Sherman Friday night. He will speak at Gainesville Saturday night.

"I have received information that efforts are being made to have Republicans, their by-products and political mavericks throughout the State to go into the primary to defeat me," Neff said. "The election judges should see that only Democrats are allowed to vote, and in cases where persons belonging to other parties swear they are Democrats should be prosecuted."

At least one address a day will be given by Neff during the first five days of next week. He said he would return to his home at Waco in time to vote in the primary.

## UNITED STATES TIRES NEWS

One of the delights to be enjoyed by motorists during the warm summer months is to motor out into the country with a well-filled lunch basket and have a picnic at some shaded spot along the roadside.

Every group that enjoys itself in this way has one duty to perform which should be scrupulously observed, says the United States Tire Company. This is to make sure that all rubbish and waste paper gathered up and hidden away so that the spot which was chosen for its loveliness will look as pretty when the party leaves as when it arrived.

Near large cities where the picnickers are numerous many attractive little places look anything but attractive when the motorists drive off leaving a litter of empty boxes, paper and bottles. It is equally important that campfires be completely extinguished and that no half-burned cigars or cigarettes be left lying in the grass or leaves to start a fire that may do serious harm to property. The amount of property loss due to carelessness of this sort runs into a large annual total.

Any American who was in the war is likely to have the lessons of proper policing so drilled into him by his experiences in the army that he will not need any urging to get him to clean up the debris after a picnic. One thing he learned thoroughly was to remove every slightest trace of an encampment, and it will be hard for him to forget the lessons he learned. Motorists who did not get into service ought to acquire this one habit that every man who got into uniform learned was the mark of a good soldier.

Rob-My-Tism is a great pain killer. It relieves pain and soreness caused by Rheumatism, Neuralgia, Sprains, etc.

There is nothing in the whole list of flesh healing remedies that can approach Liquid Boraxone in the rapidity with which it heals cuts, wounds, sores, burns or scalds. It is a marvelous discovery. Price, 30c 60c and \$1.20. Sold by Pace-Marshall Drug

## KEEP YOUNG

People with bad backs and weak kidneys are apt to feel old at sixty. Many old folks say Doan's Kidney Pills help them keep young. Here's a Cameron case:

Mrs. S. A. Gjedde, Cameron, gave the following statement June 26, 1915: "I am glad to endorse Doan's Kidney Pills for they have done me lots of good. My back ached constantly and I wasn't able to do my work. I was down in bed part of the time and suffered constantly. My head ached and I could hardly see from dizziness. Rheumatic pains darted through my back and sides. My kidneys acted too often and most of the time not freely enough. I was caused much pain and there were other signs of kidney weakness. I was in a bad condition when I read about Doan's Kidney Pills and sent to the City Drug Store for them. Two boxes of Doan's put my kidneys in good order and rid me of the pains in my back."

On July 2, 1919, Mrs. Gjedde added: "All I have previously said in recommendation of Doan's Kidney Pills, I gladly confirm. I wish to say I feel I owe my good health in my advanced years to Doan's Kidney Pills."

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!

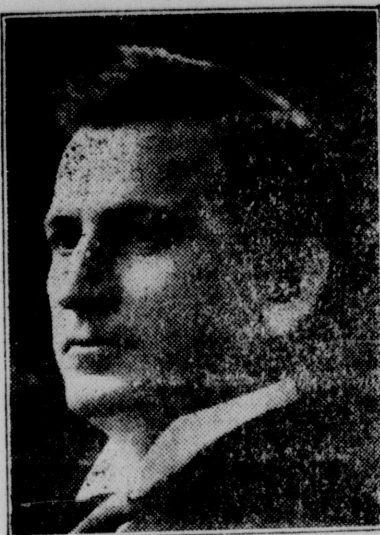

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

THE UNIVERSAL CAR

## Surest Thing in the World

Two and two have always made four. There would not be more than three million five hundred thousand Ford cars in daily service—which is just about one-half of all the automobiles in America—if the Ford, as a reliable motor car, did not meet the demands of all classes of people everywhere under all circumstances.

Two and two have always made four. If the material, the iron and the marvelous Vanadium steel used in the construction of the Ford chassis, were not of the highest quality known to the science of Metallurgy, then the Ford car could not have won its world-wide reputation for reliability.

Two and two have always made four. When replacements and repairs are required on Ford cars, the Ford owner will be wise in bringing his car to our place, because we use only the Genuine Ford Parts, and we have the Ford skilled mechanics, and all the Ford knowledge that goes to maintain the high standards of quality which is original in the Ford car.

When you want a Ford car or a Ford truck, and when you want repairs or replacements for the same, we earnestly solicit your business, assuring you of prompt attention, real Ford service, and economical Ford prices.

## WHAT IS THE NAME AND OF WHAT AGE IS MR. BAILEY?

Opponents of Mr. Neff attempt to make much capital out of that fact that he was born on November 26, 1871, and that printed statements have appeared stating he was born on November 26, 1872.

People who live in houses of glass shouldn't throw stones at those who pass.

According to the old citizens of Crystal Springs, Mississippi, Mr. Bailey was born on Oct. 6, 1862, but according to Mr. Bailey in the Congressional Directory, he was born on Oct. 6, 1863 (see Chap., pages 8 to 15 inclusive of the Bailey Controversy in Texas, by W. A. Cocke). Is it possible that Mr. Bailey, the repository of all wisdom doesn't know his own age?

It seems also that Mr. Bailey has had a series of other rather singular lapses of memory, viz.: On the records of the University of Mississippi for the year 1879 to 1881, Mr. Bailey's name appears as J. E. Bailey and Joseph Edward Bailey; the records of Vanderbilt University for 1881 shows the name of Joseph E. Bailey. The records of the University of Virginia shows that Joseph Edgar Bailey of Crystal Springs, Miss., attended that school for a short time during the session of 1881-1882. At Lebanon Law School which he attended for one year Mr. Bailey for the first time registered as Joseph W. Bailey of Crystal Springs, Mississippi yet Joseph E., Joseph Edward, Joseph Edgar, Joseph W. and Joseph Weldon Bailey are one and the same person. Mr. Bailey didn't know his name was Joseph Weldon Bailey until 1882-'83 at Lebanon School (see the Bailey Controversy in Texas, Chap. 11, pages 8 to 15) inclusive).

In this connection we might add that the people of Texas did not know until 1908 that Mr. Bailey had one name by which the people of Texas knew him and another name by which he was known in the Secret Cipher Code of an outlawed Oil Company. To Texans he was Joseph Weldon Bailey; to the big oil company he was

Senator Republish (see report of Investigation Committee at Austin in 1907. In the light of his failing memory as to his age and as to his names, it is permissible to ask:

How old is Joseph E.; alias Joseph Edward, alias Joseph Edgar, alias Joseph Weldon Bailey, alias Senator Republish?

### LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur  
Recipe and Nobody Will Know

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to gloss her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is mussy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," you will get the famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known down-town druggist says it darkens the hair so naturally

### CITATION BY PUBLICATION

#### THE STATE OF TEXAS

To the Sheriff or any Constable of Milam County,—Greeting:

You are hereby commanded to summon Charles McGee by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the District Court of Milam County, to be holden at the court house thereof in Cameron on the 6th day of September 1920, the same being the 1st Monday in September, 1920, then and there to answer a petition filed in said court on the 31st day of July, 1920, in a suit, numbered on the docket of said court No. 8224, wherein Rachel McGee is plaintiff and Charles McGee is defendant, said petition alleging:

That on or about the 14th day of March, 1914 that plaintiff was lawfully married to defendant; That they lived together as husband and wife until the 15th day of September, A. D. 1915, when defendant without cause or default of this plaintiff, left the board and bed of said plaintiff, with the intent to permanently abandon her; That this plaintiff has not lived with or cohabited with defendant since the last named day and date, nor has she even seen defendant since said date so last named. Wherefore plaintiff prays the court that defendant be cited by publication as the law directs, to appear and answer this petition; and upon final hearing she have judgment dissolving said marriage relation; for cost of suit, and for such other and further relief, special and general, in law and in equity, that she may be justly entitled to. Herein fail not, but have before said

court this writ on the said first day of the next term thereof, with your return thereon, showing how you have executed the same.

Witness, Penn Wolf, Clerk of the District Court of Milam County, Texas.

Given under my hand and the seal of said court, in Cameron, this the 31st day of July, A. D. 1920.

## OLD BIBLE OF NEFF PROVES AGE CLAIM

DATE OF BIRTH OF PAT NEFF  
GIVEN IN RECORDS AS  
NOV. 26, 1871

(Dallas News.)

An old family Bible belonging to Noah Neff and his wife, Elizabeth Neff, the father and mother of Pat Neff, who is now a candidate for governor, showing the date of their marriage and the dates of the births of their children, was brought to The News office by J. M. Pittillo, editor of the Farm and Labor Journal and Judge S. W. Bishop, both of Waco.

The Bible likewise contains a number of clippings from newspapers regarding the deaths of different members of the family. The date in the front of the book shows that it was printed in 1867.

An affidavit dated Aug. 21, 1920 and signed by fourteen citizens of Waco declaring that they had examined the Neff family Bible and found that among other records it was shown that Pat Neff was born on Nov. 26, 1871, was also brought to The News. The affidavit states that he not within the draft age and was not required to register.

The entries found in the Bible are as follows: "Noah Neff and Isabella E. Shepherd were married on Oct. 26, 1854. Edward Lewis Neff was born Dec. 31, 1855. Charles Deyerle Neff was born April 7, 1857. Samuel Herbert Neff was born Sept. 25, 1858. Benjamin Russell Neff was born Nov. 29, 1860. Robert Shepherd Neff was born Aug. 21, 1862. Sallie Jane Neff was born Dec. 9, 1864. David Leslie Neff was born Oct. 28, 1866. Elizabeth Frances Neff was born July 18, 1868. Pat M. Neff was born Nov. 26, 1871."

The affidavit states that "We have personally examined the old family Bible of Noah and Elizabeth E. Neff, the father and mother of Pat Neff, who is now a candidate for Governor, and we find that the Bible is an old, faded book with broken back, and under the column in the family record marked births, among others is the following: Pat Morris Neff was born Nov. 26, 1871. We find that the

handwriting in which this is and the other entries on this page are written, is old-style, faded, but clear. We further state that Mr. Neff having been born in November, 1871, was not within the draft age, and was not required to register."

The following names appear on the affidavit: Frank B. Tirey, County Attorney of McLennan County; Ben C. Richards, Mayor of Waco; George W. Tilley, ex-sheriff; S. W. Bishop, attorney; Joe W. Hale, attorney; John Walton, real estate; Edgar E. Witt, State Senator; J. M. Pittillo, editor Farm and Labor Journal; J. T. Harrington, M. D.; Lee Jenkins, Chief of Police; James P. Alexander, County Judge; W. W. Woodson, president of the First National Bank; W. H. Jenkins, attorney; and W. L. Crosthwait, M. D.

### Affidavit of His Mother

The News last night received the following affidavit by wire from J. W. Hale, campaign secretary for Mr. Neff at Waco:

"State of Texas, County of McLennan. Mrs. I. E. Neff, being duly sworn on oath do state that Pat M. Neff, who is a candidate for Governor of Texas, is my son, and Pat M. Neff was born Nov. 26, 1871 near Moody, Texas. Witness my hand this 21st day of August, 1921. Mrs. E. I. Neff."

"Sworn and subscribed to before me by Mrs. I. E. Neff this the 21st day of August, 1920. Espa Stanford, Notary Public in and for McLennan County, Texas."

### PAT NEFF'S AGE

To the News.

As the question of the exact age of the Hon. Pat M. Neff has arisen I will thank you to print the following:

Since right after the Civil War up to a few years ago I lived but a few miles from the house in which Pat M. Neff was born and which was occupied by his mother until recent years. I lived in Coryell County and the Neffs lived just across the line in McLennan County. I was at the home of Mrs. I. E. Neff, Pat's mother, frequently.

Distinctly do I remember that I was at Mrs. Neff's home in the spring of 1872. Little Pat, as his mother affectionately called him, was then about six months old and just beginning to catch hold of things to crawl. I remember it so distinctly because Pat Neff is just a few months older

than my oldest son, J. W. Jacobs of Dallas, who was born in May 1872.

So I am very positive that Pat Neff was born in the latter part of the year of 1871. My son, whom I have mentioned, though younger than Mr. Neff, was not in the second draft either. Respectfully,

MRS. MARY L. JACOBS.

5604 Lewis Street, Dallas, Texas.

### THE MISSES GILLON ENTERTAIN

Tuesday evening, at their home on Hefley Heights, Misses Grace and Louise Gillon entertained at a dance. Twenty-seven participated and the Edison furnished music.

The programs were the dainty handiworks of Miss Cornelia Wallace and were done in pen and ink sketches of Pierret.

At the close of the vining cream and cake were served.

Mr. Manuel Werner entertained in honor of his cousin, Mr. John Kubecek who is visiting here. About seven couple came in response to his invitation. Music was enjoyed on the piano and dancing was another pleasure. A most enjoyable time was had by all and at a late hour cream and cake was served to complete a pleasant time. Those enjoying this evening of pleasure were Misses Lois and Oma Weems, Carrie Marek, Lydia Matula, Olga and Viola Marek, Mr. and Mrs. Owen Weems, Manuel and Leo Werner, Otto Wokaty, Bill Parma, August Gurecky, Amos Marek, Johnnie Shegut, Mr. John Kubecek, Fred Moore.

## FORDSON TRACTOR

GREATEST UTILITY OF THE AMERICAN FARM

On September 2 and 3 under the supervision of the Houston branch of the Ford Motor Company a tractor demonstration will be held in Navasota.

The Chambers-Hefley Motor Company will send tractor salesmen, mechanics and its tractor clinic to the demonstration and will take advantage of the educational features of the demonstration that it may be able to better aid the farmers in solving their power problems on the farm and to encourage better production and better farm facilities.

The demonstration will be attended by dealers, manufacturers, tractor salesmen, bankers and business men. A special invitation is extended to all, and the Chambers-Hefley Motor Company urges bankers, farmers and business men to attend from Milam County.

The Tractor is the greatest asset to the American farm. It will solve the problems with which they have wrestled for many years. It points the way to progress, efficiency and a bigger yield.

The Tractor demonstration at Navasota will result in direct benefits to the farmers and whatever advantage we gain by sending our representatives there will be given the farmers of this territory.

We invite the farmers to attend.

Our stock of FORDSON Tractors is complete and we invite the co-operation of the farmers in improving farm utilities.

## ONLY DEMOCRATS TO VOTE IN PRIMARY

**AFFIDAVIT IS REQUIRED OF  
THOSE WHOSE PARTY FE-  
ALTY IS QUESTIONED.**

Fort Worth, Texas, Aug. 24.—Voters at next Saturday's primary whose Democracy is questioned or who are suspected of being Republicans or members of other parties will be required to sign an affidavit that they intend to support the Democratic nominees from presidential electors to constable.

Hundreds of blank affidavits have been prepared and are in the hands of Secretary Randle of the Democratic Executive Committee, who has charge of the election arrangements in this county. They will be sent to each polling place in the city and county by Saturday morning for use by the judges. Any voter whose party fealty is the object of question or suspicion will be challenged before he is allowed to cast his ballot and if the judges are not satisfied that he is a Democrat and is acting in good faith, he will be required to make oath that he will support all nominees at the November election. This precautionary measure on the part of the executive committee is expected to have the desired effect of keeping hundreds from voting at this primary who are said to have participated in the July primary without intention of supporting the nominees of the party.

The printed form of the oath contains first the citation to Article 274 of the penal code, which provides punishment by confinement in the penitentiary for false swearing in elections.

The affidavit requires the signer to make oath as follows:

"I am a Democrat. I will in and at the general election to be held on the first Tuesday in November, A. D. 1920, support all nominees of the Democratic party from presidential electors to constable."

The usual pledge also will be printed on the ballot to be used at Saturday's primary, but to many voters this is said to signify nothing and to be taken with a mental reservation. It reads: "I am a Democrat and pledge myself to support the nominees of the primary."

The printed ballot contains only the names of candidates of three offices who are contesting in the runoff. The offices are Governor, Lieutenant Governor and Associate Justice of the Supreme Court.

The name of Pat M. Neff occupies first place in the section allotted to the candidates for Governor. He won first position in the drawing which was conducted by the members of the County Executive Committee.

**EASTLAND HAS A GAIN IN HER  
POPULATION OF 995.7 PER  
CENT IN TEN YEARS**

Washington, Aug. 25.—Galveston, Tex., 44,255; increase, 7,274, or 19.7 per cent.

Eastland, Tex., 9,368; increase, 8,513 or 995.7 per cent.

Eastland's gain in population is due to the great number of people interested in oil. A number of Texas towns are expected to show similar percentages in growth.

### FRED HENRY BACK FROM WEEK'S VISIT TO WEST

Fred Henry, local fraternal worker and insurance writer, has just returned from a visit to El Paso and Albuquerque, New Mexico, where he went in the interest of his business and on pleasure.

Mr. Henry while in El Paso visited points in Old Mexico, taking advantage of a day run down into the southern republic. Conditions there are much improved, he says, and over the west generally there is great prosperity.

Mr. Henry returned to Cameron Monday night in time to attend the meeting of the Knights of Pythias of which he is the keeper of records and seals.

### How Could She Tell?

One of the girl ushers in a Flatbush theater had a problem offered her the other evening. She was showing two women their seats.

"Is the show this evening fit for church women to see?" asked one of the pillaresses of a Flatbush congregation.

"I—I don't know," responded the girl. Then she brightened. "You see," she said, "I don't have no time to go to church."—New York Mail.

### Grumbling Unfashionable.

One of the results of these strenuous times in which we are living is that grumbling is going out of fashion. People are ashamed to fret about trifles, when they see how bravely others are making great sacrifices and bearing great troubles. It is to be hoped that there will be less grumbling this year than ever before in America since the landing of the pilgrims, and that the fashion will never return.—Girl's Companion.

## 1,053 BALES HAVE BEEN GINNED HERE

COTTON FARMERS EXPECT TO  
HARVEST BIG YIELD THIS  
YEAR.—PRICE UNSTA-  
BLE.

Up to noon Thursday more than 1000 bales had been ginned in Cameron. This number is divided between four gins now operating on full time.

Weather conditions have been such as to prevent a more brisk marketing of cotton. Scarcity of labor is also responsible for some of the difficulties attached to marketing the present crop. The ginning season opened about three weeks ago. The total ginned is 1,053.

With fair weather the number will be materially increased by next week when a report will be made. The Herald will carry each week detailed report from the four gins of the number of bales ginned here.

## HALF YOUR LIVING WITHOUT MONEY COST

Continued Southern Farm Prosperity  
Dependent on Cutting Produc-  
tion Cost Through Food  
Making and Saving

Atlanta, Ga.—(Special.)—"Tens of thousands of farmers in the South will face the problem of making cotton under heavy weevil infestation for the first time in 1920. Their success or failure under these new conditions will be absolutely dependent on the degree that there is food, grain and forage produced on their farms this year," said H. G. Hastings, president of both the Georgia Chamber of Commerce and the Southeastern Fair.

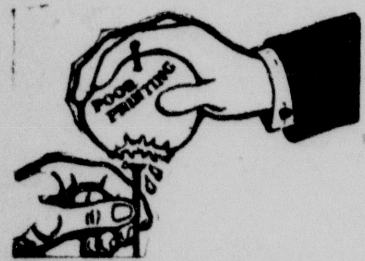

"A few weeks ago the newspapers carried the report that an Alabama county was preparing to erect a monument to the boll weevil, because of the good the weevil had done them in forcing them out of the 'all-cotton' poverty-producing rut, into the prosperity that always follows a diversity of crops and the production on home acres of every pound possible of food, grain and forage supplies needed by the family and live stock.

"Our good people here in the South have never, until very recently, taken the home or family vegetable garden seriously as a source of food supply. It has been looked on strictly as a side issue, something of little importance, something to be attended to the last thing on the place. The home garden, rightly handled, can be made to produce half the food needed by the family and practically without money cost.

"The average 'lick and promise' sort of a garden has little value. To be of real value the garden must be planned for, really prepared for, planted right and kept cultivated through the season, and cultivated whenever needed. That kind of a garden will keep its owner's table well supplied with an abundance of healthful food seven or eight months in the year, as well as furnishing an abundance of canned and dried vegetables for winter use.

"Every mess of vegetables direct from garden to table, every can or jar of home-canned vegetables from closet shelves, makes a hole in that store bill that is always a terror when 'settling' time comes.

"Good home gardens have been real life savers to thousands of southern farmers who have gone 'flat broke' trying to meet store bills. A good garden will cut the store bill until its size is negligible. Give the garden a fair chance and a square deal in 1920 and the result will be agreeably surprising."

AUTHENTIC FASHIONS OF UNSURPASSED BEAUTY IN OUR

# Autumn Exposition

Our Fall and Winter Stocks have been supplemented by new shipments of goods from the markets of the East completing one of the most distinguished showings in recent years.

## Suits Exquisitely Tailored Abounding In Verve and Charm.

Handsome things, every one of them, gorgeously burdened with a wealth of embroidery and huge collars and cuffs. Styles vary from the youthful box to rippled lines with the more conservative belted models leading in popularity, while fabrics include the twills and the soft-surfaced duvetyn-like materials. At no time does a woman desire so keenly to be well dressed as Autumn. A suit properly chosen will answer almost every purpose.

In addition to being pleased with the smart and exclusive styles it is good to know that the quality, value, and cost of this new Autumn merchandise compares favorably with the high standards maintained by this store.

## Autumn Lines In New Apparel

The spirit and enthusiasm of Autumn has been captured and crystallized in the smart new modes of the season. Women whose discernment and knowledge of the new styles and their own tastes will find in our collection of Frocks, Gowns, Wraps and Tailleurs, a vibrant beauty and charm that have the stable backing of authenticity.

## New Blouses for the New Suit

Enjoy your new suit to the fullest by having Blouses for street, for the luncheon party, for afternoon and for the theatre or restaurant. With a proper collection of Blouses you can transform your suit as if by magic into attire suitable for a wealth of needs. Models of lace, tub stuffs and silk vie in delicacy, smartness and gay embellishment.

## Autumn Hats of Exceeding Charm

Your pleasure in selecting new hats at the Autumn Exposition will be intensified by the softly becoming draped lines of the many new fabric Hats. Duvetyn, satin and velvet fall naturally into graceful turbans, tams and off-the-face modes which when ornamented with coque, blondines, embroidery, ribbons and jeweled pins are indeed lovely companions to accompany the many various styles of apparel from the severe tailored to the picturesque and filmy evening mode.

## "Wrappy" Describes the New Coat

Some are out and out Wraps while others, slightly disguised as coats, have strong inclinations to the popular "wrappy" silhouette. Sleeves if present, are large, likewise collars, while cuffs are often muff-shaped. The wrap with a fitted waist line cape is a popular style. Bolivia, peachbloom, duvetyn, veldyne and tinseltone are fabrics much in demand in the Autumn Wraps.

## New Fall Frocks

## Frocks For Every Feminine Fancy

The importance of being smartly attired this Autumn resolves itself into possessing a Frock or two for street wear and more festive occasions. Regardless of the popularity of the rich new shades of brown for the woman devoted to blue there are equally charming models developed in silk duvetyn, veldyne and the various twills. Our present collection includes styles severely simple or elaborate with embroidery, beading, plaits and braiding.

## Frocks Designed to Give Slender Lines

To secure the slim lines demanded by Fashion, women will find that the one-piece Frock is eminently successful. For all times when you appear without a coat, you will find that a Frock is most desirable. Frocks abounding in charm, of every wanted fabric and in a variety of slenderizing styles for Autumn now await your inspection.

## Footwear For Every Part of the Fall Program.

No matter what you do or where you go, there is always the question of appropriate footwear. Being fashionably and correctly shod, adds greatly to one's appearance and pleasure. This store is in position to serve you in a satisfying way. Here are correct modes for every type of foot—a range of styles that anticipates every Autumn event and preference.

## NEFF SUPPORTERS PLAN GRAND FINAL RALLY ON FRIDAY NIGHT IN CITY

### TEACHING SALARIES IN SCHOOLS HERE GREATLY INCREASED

#### EFFICIENT CORPS OF TEACHERS IN LOCAL SCHOOLS

The teachers in the public schools will receive a substantial salary increase over what they received last year, according to an announcement by Superintendent Kidd. As has always been the case, the teachers in the schools of Cameron will receive as much or more than is paid the teachers of the average city of this size, during the coming year.

In anticipation of additional State aid, the local school authorities voted an increase in the salaries of the teachers to be employed during the coming year. Since that time the state has made an appropriation of \$14.50 per scholastic capita. On account of this, the salaries of the local teachers, both grade and grammar school, are increased about 45 percent.

Superintendent Kidd stated that the schools of this city are more fortunate than the majority of schools, in that nearly all of the teaching corps of last year will be back at their places when school opens on September 13th. There will be more teachers this year than last, one of these being the teacher for Domestic Science, which is an entirely new department. Miss Motie Cass, who holds a B. S. degree from the College of Industrial Arts at Denton, will have charge of this department. Mr. Homer L. Williams, the new principal, has a master degree and is completing the necessary work for his doctor's degree. J. C. Jones who will have charge of Science and Athletics, has a B. A. degree from Baylor University and was assistant director of athletics at that university last year. Miss Mattie Loventhall, who will teach History and Algebra is a graduate of Southwestern University and is an experienced teacher.

The Principal of the Grammar School, Mr. Rhey B. Parsons, has an A. B. degree from Chicago University and comes to us from Corsican high school. There will be several of new faces among the teaching corps at the grammar school this year, but every teacher employed there has either had considerable teaching experience or is a university graduate. From all indications the schools of this city will have an unusually successful year.

### NEFF FORCES WILL CLOSE CAMPAIGN IN CAMERON ON FRIDAY

#### W. W. HAIR OF TEMPLE PRINCIPAL SPEAKER.—CLUB HAS MEMBERSHIP OF 508.

Friends and supporters of Pat M. Neff of Waco, candidate for Governor will close the campaign in Milam county Friday night with a grand rally of the forces on the court house lawn.

W. W. Hair, attorney of Temple, and public speaker will appear as the principal speaker of the evening.

Announcement of the rally was made last week by Judd G. Davis, Chairman of the Neff forces in Milam county. Today O. L. Kidd, Cameron attorney and Neff supporter, announced that Mr. Hair of Temple had been secured to address the democrats of Milam county on Friday night thus closing one of the most vigorous political campaigns in recent years.

A special appeal is being sent out all over the country for a final grand rally of the Neff forces and hundreds have been invited to come to Cameron from every center in the county. An active campaign has also been waged locally and one of the largest political clubs in the state has been recruited in the interest of Mr. Neff.

With a membership of 508 in the local Neff Club it is believed the rally Friday night will be one of the largest ever held in the county. Neff leaders are laying plans for a big crowd and all members of the Neff club are expected to be present. It is the final call to the standard of the Democrat from McLennan county.

#### Election Saturday

The run off primary election will be held Saturday, August 28. Three state offices are being contested in the second primary. All over Texas interest is at fever heat as one of the most bitter campaigns in history is drawing to a close. The final hour of the struggle find leaders of both factions confident of victory. Local leaders are claiming victory in Milam county and are making predictions for the state at large.

Both Mr. Neff and Mr. Bailey have spoken in Cameron. In the first primary both Mr. Thomason and Mr. Looney spoke in Cameron. The city has been favored by a visit from all of the candidates. Whatever bitterness existed in the first campaign between the forces of Neff, Thomason and Looney has been buried like the proverbial hatchet. With scant exception, it is said, practically all the Thomason men and the Looney men have lined up for Mr. Neff.

Mr. Bailey has made gains locally and his friends here claim when the returns come in from over the county the ex-senator will make a decidedly better showing than in the first primary.

There are more than 7000 poll tax receipts in the county. In the July primary the total vote was about 2700. It is said that many democrats who have dissented from the party are coming back. It is said that the vote will be considerably heavier than in the first primary. What part the American party vote will play in the election and to what extent they will enter the primary is not known. American Party leaders are making an effort to keep the organization intact.

## CALL TO DEMOCRATS FOR SOLID SUPPORT ISSUED BY JETER

#### COUNTY CHAIRMAN WARNS ELECTION MANAGERS TO GUARD SOVEREIGNTY OF PRIMARY

In a call issued to the Democrats of Milam County R. P. Jeter, Chairman of the Democratic Executive Committee, gives voice to the battle for a solid rank support and warns election managers against participation in the primary of voters of doubtful party standing.

The appeal is issued in the interest of the primary election to preserve its democratic purposes against any who may seek to use it without regard to its pledge to support the nominee.

Mr. Jeter states that reports have come to the executive committee that some who are not democrats "will undertake to enter the primary without any intention of abiding by its results."

In accordance with the policy of the State Democratic Executive Committee, affidavits have been placed in the hands of all election managers to place under oath all voters of doubtful party standing to support the nominees of the primary.

The statement of Mr. Jeter is as follows:

To all Democrats of Milam County:  
As Chairman of your County Executive Committee I want to call on ALL Democrats to come to the polls and vote next Saturday.

Regardless of your partisan feeling for or against any candidate, by reason of which you may be inclined to remain away, I appeal to you AS DEMOCRATS to stay with the party at this time, and give it your wholehearted support at this time.

It has reached the ears of the Executive Committee that some persons NOT Democrats will undertake to enter the Primary without any intention of abiding by the result, or of supporting the nominees at the November Election.

The Executive Committee, with the help of the Election Managers, is doing, and will do all it can to prevent our party being imposed on in this manner, and to this end instructions have been issued by the Executive Committee to all Election Managers, to require ALL PERSONS OF DOUBTFUL PARTY STANDING, who present themselves at the polls to vote, to take oath that they ARE Democrats and that they WILL support the nominees of the Primary.

This is being done only to safeguard the best interests of the party, and in no spirit whatever is it being done to embarrass any Democrat who may be thus questioned by an Election Manager.

If you are a Democrat come out to the polls and vote on the 28th, and let us show to the world that, with whatever mistakes our party may have made, it still commands our loyalty and support for the good it has done and for the good it will continue to do.

Your very truly,  
ROYAL P. JETER.

Chairman, Milam County Democratic Executive Committee.

G. A. Keith and sons of Temple and Mrs. J. H. Hughes and children of Henrietta, Texas spent the week end with their brother, H. C. Keith and family.

crats who have dissented from the party are coming back. It is said that the vote will be considerably heavier than in the first primary. What part the American party vote will play in the election and to what extent they will enter the primary is not known. American Party leaders are making an effort to keep the organization intact.

Pat Neff led by a substantial majority in the county over his three opponents. Thomason was second, Bailey was third and Looney fourth.

The Neff forces are closing the campaign with a final appeal for a big rally Friday night in Cameron.

## SUFFRAGE FINALLY PROCLAIMED VICTOR

### MAYOR RETURNS FROM A TRIP TO MEXICAN CAPITOL

#### MR HEARELL GIVES INTERESTING ACCOUNT OF HIS RECENT TRIP

Mayor U. S. Hearrell returned Monday from a stay of several weeks in a number of the important cities in Mexico. Legal matters required the presence of Mr. Hearrell at Tampico, and while there he availed himself of the opportunity of visiting a number of the points of interest in the Republic. His prolonged stay, however, caused several of his friends to jokingly discuss the advisability of raising a ransom to affect his release from the bandits with which Mexico is so popularly supposed to be infested. Mr. Hearrell stated however that Villa had surrendered to the authorities when he learned that "Uncle Sam" was coming into Mexico.

Mr. Hearrell gave an interesting account of his trip which we believe will be of interest to a number of readers, particularly on account of conditions in Mexico being more stable at this time than they have been at any time in recent years. "The people in every locality that I visited, seemed well satisfied with government conditions," he stated, "and one gains the impression that everyone is tired of revolutions and are willing to settle down under the Obregon government for a period of constructive effort and prosperity."

"The first place of interest that I visited was Tampico," continued Mr. Hearrell; "where every great oil company in the world is operating and where some of the wells produce as high as 150,000 barrels daily. Last month the Huasteca Petroleum Company exported from Tampico and Port Labos, a total of 2,717,841.35 barrels which was a record shipment for any one month. The Americans hold the supremacy in oil development there being 28 American Companies in operation there at this time. From Tampico I went to San Luis Potosi and later to Mexico City, the mining region of Guanajuato, and a number of places of lesser importance in the republic."

"I found Mexico to a land of extremes. Tampico is low and sultry, while the climate at Mexico City is ideal for summer, the altitude being about 7000 feet, and one is comfortable there during the evening hours with a light overcoat. There are probably more beggars in that country than in any other country in the world and at the same time many of the citizens are enormously wealthy. I spent a night with one land owner whose holdings included as much territory as Milam county, and this is considered a small ranch there. As with the introduction of modern farming in this country are crude, but with the introduction of modern farming implements, Mexico bids fair to play a conspicuous part in the agricultural yield of the world."

"As an example of the better conditions now prevalent in Mexico, the train on which I made the trip to Mexico City carried heavily armed guards, while through trains are now running between Mexico City and Laredo, Texas with no guards whatsoever. It is a land of wonderful opportunities and many of the great firms of other countries and individuals are fast taking advantage of this fact."

Misses Lucile and Sue Butts returned Wednesday from a visit to Houston, San Antonio and Galveston.

Miss Josephine Hoffman returned home to Caldwell, after a three weeks' visit to her aunt, Mrs. Frank Lesovsky.

Mrs. John Watson entertained late Wednesday afternoon at a "Stunt" party. A full account will be given next week.

### HOUSING PROBLEM MORE ACUTE THAN EVER, SAYS CLUB

#### BUSINESS MEN TO TAKE UP MATTER WITH NEW COMMITTEE—PLAN IS PROPOSED

If you have a vacant room or know of a neighbor who has a vacant room or house for rent telephone to the Secretary of the Commercial Club, 163. You will help Cameron solve the housing problem, more acute than at any time in history.

This suggestion is in accordance with a plan mapped out by the Commercial Club Tuesday night. The plan was proposed by J. T. Parma in discussing the housing problem and was presented as a plan which has helped to solve the housing problem in other cities.

With the new school term about to begin and the completion of the new high school building Cameron will attract new people and the housing problem will be more pronounced.

It is hoped that a building loan association may be organized. An unsuccessful attempt was made early last spring.

### AMERICAN LEGION FIESTA IN CITY AUGUST THIRTIETH

Clark's Greater Shows one of the most attractive carnival companies now on the road in Texas, will begin a week's engagement in Cameron Monday August 30 under the auspices of the American Legion.

The local American Legion post will share in the receipts of the carnival company with its forty-five concessions and eight big shows. Local Legion heads have begun active co-operation with the company in the matter of attracting interest by advertising.

The company will be responsible to the American Legion. The Clark Shows exhibited exclusively in Texas this season, having begun the season at Port Arthur on February 26. It has filled engagements throughout the state and has shown in some of the largest cities of the State. Practically all the engagements have been under the direction of the American Legion posts throughout Texas. The show comes to Cameron with letters of recommendation from some of the leading posts of the State.

It is said to be the largest, best and cleanest carnival exhibition now exhibiting in the state. The athletic show will feature Young Stecher, wrestler, who offers a dollar a minute for anyone he cannot beat.

There is the Russian Show featuring Russian dancers; laughing gallery; vaudeville; high class musical comedy; minstrel with 14 colored performers featuring the three Florida pikinies, five, seven and nine years old; Princess Edna, the smallest woman in the world.

There is 45 concessions and 8 big shows. The tents will be pitched on the Green lot near the city park.

### ANTI MOVE BLOCKED BY COURT ACTION

#### LEGISLATORS SKULK IN ALABAMA BUT CERTIFICATION IS SURE

Washington, Aug. 25.—Justice Siddons of the district supreme court denied Wednesday any anti-suffrage application for a restraining order to prevent promulgation of the federal suffrage amendment by the state department.

The application was filed by counsel for the American Constitutional league and Justice Siddons ruling sustains that of Justice Bailey of the same court last month in rejecting a similar appeal by the same complainants.

The issuing of a temporary injunction, the justice said, would be unwarranted interference with a purely administrative act of the secretary of state. Dismissal of the proceedings leaves the way open for the appeal to the District of Columbia court of appeals.

The anti-suffrage forces will make no further effort to block proclamation of the suffrage amendment as law by Secretary Colby, Attorney Fred D. Smith said, after Justice Siddons had dismissed the bill. Efforts of the opponents of suffrage, Mr. Smith said, will be focused in the future on an attempt to obtain a ruling from the United States supreme court declaring the ratification illegal.

This was the second attempt by the league to obtain from the district court an injunction restraining Mr. Colby from proclaiming the ratification. The first effort was made last month before Tennessee had acted. Justice Bailey, in dismissing the proceeding, held that the court was without authority to inquire into the action of the State legislatures in ratifying the suffrage amendment, and that it had no authority to pass upon the validity of such an amendment. An appeal to the supreme court of the United States was noted by counsel for the league.

### COLQUITT TO SPEAK IN CITY FRIDAY

#### EX-GOVERNOR TO PRESENT CLAIM OF FORMER SENATOR J. W. BAILEY

Oscar B. Colquitt, former governor of Texas, will address the voters of Cameron and Milam county Friday afternoon at 2 o'clock in the city park.

Announcement of the speaking here was announced last week by the Bailey for Governor Club of Milam county. The seats arranged for the speaking of Senator Bailey here last week will be used for the speaking Friday, the park being large enough to accommodate such gathering.

A strong fight has developed in Milam county which was carried in the first primary by Hon. Pat. M. Neff of Waco now a candidate against Mr. Bailey. Both Bailey and Neff are claiming a majority in the county, the latter claiming a victory of nearly two to one.

## DOVE SEASON IS TO OPEN SEPTEMBER 1; FIFTEEN IS LIMIT

The open season for doves begins Wednesday, Sept. 1.

They may be killed up to Dec. 15, fifteen constituting the legal bag limit for one day.

The seasons for other wild birds and for deer are as follows:

Quail and Mexican pheasants, months of December and January, bag limit, fifteen.

Ducks, geese and sandhill cranes, Oct. 16 to Jan. 31, bag limit twenty-five ducks and plovers, eight for all species of geese and sandhill cranes.

Turkeys, March, and April. The limit is three gobblers in one year.

Deer, November and December. The limit is three bucks in one year.

Birds and animals which it is unlawful to kill at all during a period of five years ending June 18, 1924, are woodcock, woodduck, prairie chicken, pheasant (except Mexican pheasant or chachalaca), pinnated grouse, antelope and Rocky Mountain sheep.

It is unlawful to shoot deer, ducks, geese or cranes between sunset and a half hour before sunrise, and to kill them only with a gun held to the shoulder. It is unlawful to use traps, snares, deadfalls or any other trapping device to take them. No other kind of game bird can be legally trapped except by written permission of the game, fish and oyster commissioner. Using a deer call, whistle or decoy is prohibited, except that the rattling of deer horns is allowed.

In order to hunt outside the county of one's residence, it is necessary to make an affidavit that the shipper killed it in person for his own use and not for sale, and to attach a list of the game so shipped, which is not to be removed during passage.

Game may be brought in to Texas from Mexico at all seasons by obtaining a permit from the game, fish and oyster commissioner and by securing a certificate from the customs officer at the port of entry stating that the game was killed or taken in the Republic of Mexico.

## CO-OPERATION IS NEEDED TO BANISH MOSQUITO MENACE

**HARDENBURG SAYS MOSQUITOS  
HAVE INCREASED WITH RE-  
CENT HEAVY RAINFALL**

Recent heavy rains have added considerably to the work of the local director of the Cameron Anti-Malaria Campaign, and in order to insure as favorable results in future as have been obtained in the past, a little more co-operation from the citizens is necessary, according to W. E. Hardenburg, Director of Anti-Malaria Campaigns, who was in Cameron Monday and Tuesday.

"These rains," said Mr. Hardenburg, "have filled tin cans, buckets, tubs, barrels and other water containers, some of which exist around most homes, and unless these are dumped out promptly mosquitoes will breed in them. As Local Director Culver is very busy oiling pools, etc., in the streets and open spaces about the city, it is incumbent upon the householders to keep their own premises in shape.

"In several of the towns, the women have responded to a suggestion that they themselves personally inspect their own premises once a week, paying particular attention, not only to the water containers mentioned above, but also to cisterns, cesspools, bath room and kitchen sink discharges, wells and pools formed by leaky pipes. I am satisfied that every woman who adopts this suggestion will find that it pays big returns in comfort and satisfaction.

"Water containers that is not desired to dump out should be screened tightly or else oiled liberally once a week with kerosene. Pools, etc., also should be oiled weekly. Top minnows, which destroy the mosquito wiggle-tail, have proven very successful for use in wells and underground cisterns, and these will be supplied free by Local Director Culver. Requests for these should be made to Secretary T. N. Herring of the Commercial Club.

"The Complaint Bureau, establish-

ed recently in connection with the campaign is still functioning, and all citizens who are annoyed by mosquitoes, after first making sure that they themselves are not raising the mosquitoes, by an inspection of their premises, should phone Mr. Herring, and prompt steps will be taken to afford them relief.

"It should be distinctly understood that the Director of the campaign does not regard such complaints as a reflection upon the work, but as an important aid in locating breeding places of mosquitoes, which is all-important."

Following a recent inspection of the work here by Sanitary Engineer E. G. Eggert of the State Board of Health, Local Director Culver has just received a letter from the State Board in which the following reference is made to the campaign in Cameron:

"We have had some splendid reports on your preventive work at Cameron, and we trust that you will continue to enjoy the co-operation of all the citizens."

### COMPIMENTARY DINNER

Miss Lois Stribbling honored her friend, Miss Arnette Taber of Austin with a seven o'clock dinner Tuesday evening.

Fourteen girls were bidden to the feast—all former friends of Miss Arnette when she lived in Cameron.

When the girls entered the dining room, which seemed almost a paradise with the beauty and fragrance of flowers, they readily found their places from their own likeness peeping at them from the place cards. These cards featured baskets of pink flowers with a blue bird perched on the handle and a picture of a guest in one end of the card. Attached to these cards were ribbon streamers extended to the centerpiece. As the girls drew the ribbons they found cards on which was written a stunt.

These afforded much fun through out the meal.

A delicious three course dinner was served Misses Louise Stribbling and Eloise Rogers.

Miss Stribbling's guests of the evening were: Misses Arnette Taber, Grace Eplen, Reba Cheeves, Lucile Hooks, Gladys Lyles, Anna Lou Bas-kin, Louise Gillon, Maurine House, Cornelia Wallace, Louise Hearrell, and Bess DuBois.

### SALVATION ARMY CONVENTION IN HOUSTON ON SEPTEMBER 9.

Members of the advisory board of the Salvation Army in Milam county have been requested to attend a meeting to be held in Houston on September 9.

The purpose of the convention is to "consider the results of the confidential studies made in each county by county advisory boards, which bring to light the true social conditions existing in Southeast Texas."

The Salvation Army will pay the traveling and hotel expenses of three delegates from Milam County.

It is thought delegates will be sent from this county to the convention. Recently the Milam county branch of the Salvation Army was organized.

## LET NONE BUT DEMOCRATS VOTE

The call to Democrats to put on  
Democratic armor to fight a Demo-  
cratic battle for Democratic princi-  
ples and to keep inviolate the sov-  
ereign purposes of the Democratic  
primary as contained in the state-  
ment of Royal P. Jeter, county demo-  
cratic executive chairman, suggests  
something of the gravity of the polit-  
ical situation in Texas and in Milam  
county.

Primarily the call is issued in the  
interest of the Democratic Primary  
the most cherished of Democratic po-  
litical institutions and one of the best  
safeguards to sane and constitution-  
al popular government.

It is the battle cry of Democracy—a  
call to all sovereign democrats to  
strike in defense of the primary.

The call is issued in defense of the  
position of all good democrats who  
desire that the primary shall not be  
thwarted and its verdict turned into  
an asp to fang with poison those who  
gave it birth and established its prin-  
ciples.

The call is timely and quite unas-  
ailable if the reports be true that  
some are to enter or attempt to enter  
with the express purpose of disre-  
garding its results if their hopes and  
aspirations are struck down by pub-  
lic verdict. This in effect would  
mean a shameful and perhaps an irre-  
parable disruption of the primary  
election in Texas for a precedent that  
would disregard a solemn pledge has  
no place in Democratic political his-  
tory.

The right of primary participation  
should not be denied and will not be  
denied anyone. The supreme test is  
the pledge and the lofty object an un-  
tarnished election.

Let none but Democrats vote.

### FIFTY EX-SERVICE MEN ANSWER ATTACK MADE ON DR. JOHN DENSON

Cameron, Texas, August 23, 1920.  
Editor Cameron Herald:

Dear Sir:  
The Herald of last week contained  
open letters from two ex-service men.  
One from Mr. Mitchell, the other from  
Mr. J. E. Patison. These letters were  
evidently written to espouse the can-  
didacy of Mr. J. W. Bailey for Gov-  
ernor, but we have failed to find in  
either letter one reason why they are  
supporting Mr. Bailey, or one word  
why the ex-soldiers of Milam County,  
Texas, should support his candidacy.

Now we, the undersigned ex-soldiers  
of Milam County feel that it is our  
duty to answer these letters.

First. We call your attention to  
Mr. Mitchell's letter. After reading  
his letter we find that about all he  
says is that he is not a pro-German,  
that he is not a slacker, and that he  
is for Mr. Bailey for Governor. The  
remainder of his letter he spent in  
telling us that he refused a commis-  
sion and volunteered as a private, later  
winning a commission. But not  
one word does he say as to why he is  
for Mr. Bailey or why we ex-soldiers  
should support him.

We do not accuse Mr. Mitchell of  
being either a pro-German or a slack-  
er, and will make no such accusations.  
And as for his refusing a commission  
and volunteering in the service, we, as  
good Americans, are proud of him.  
But still we can see in that no reason  
for supporting Mr. Bailey.

Second. We take up Mr. Patison's  
letter. In the first paragraph of his  
letter Mr. Patison quotes Mr. Bailey  
as having said that no man who is in-  
capable of enlightening the people on  
the real issue of the campaign, should  
attempt to tell them how to cast their  
ballot and yet he gives not one reason  
why he votes for Mr. Bailey, or why  
we ex-soldiers should vote for him.

He then said that Major J. L.  
Denson attempted to classify Mr. Bai-  
ley's followers as 'slackers' and Ger-

man sympathizers. He made no such  
attempt nor do we. He did state that  
the German sympathizers were for  
Mr. Bailey and we agree with him in  
his statement. Now instead of an-  
swering that accusation he brought  
up the old question of rank which  
died when we came back to civil life.  
He declared he didn't have to stand  
at attention any more, but could tell  
an ex-major several things. We are  
glad you are so independent Mr. Pati-  
son, but that could not be considered  
a reason for voting for Mr. Bailey.  
Only once in his letter does Mr. Pati-  
son attempt to defend Mr. Bailey's  
record, and that by citing the patrio-  
tism of his two sons. We admire and  
respect his sons for their deeds, but  
we fail to see that the credit for their  
patriotism should be given to Mr.  
Bailey. If that were the case, the  
credit for what the American Army  
did, would not belong to the men who  
fought, but to their parents. Mr.  
Patison, don't try to hide Mr. Bailey's  
record behind the patriotism of his  
sons. Give them the credit—they  
earned it.

Now in the espousal of Mr. Bailey's  
candidacy these two gentlemen have  
failed to give any reason whatever for  
their support of Mr. Bailey or why  
other ex-soldiers should support him.

But we, who answer them feel  
that the public should know our views.  
We are answering these letters  
strictly from the viewpoint of ex-  
soldiers and will dwell only on that  
issue.

First: In time of war it is every  
man's duty to put aside his personal  
views and petty jealousies, and do all  
in his power for the common good.  
Mr. Bailey did not do that.

Second: Mr. Bailey was an elo-  
quent orator and had a large follow-  
ing in Texas. His voice could have  
influenced many people. Even now he  
travels throughout the state using his  
magnificent eloquence in two hour  
speeches for himself. During the war  
he was asked to make a four-minute  
speech for his country. Mr. Bailey  
did not do that.

Third: The ex-senator said that he  
was not opposed to the war, but to the  
methods in which the war was con-  
ducted. And yet he didn't lift his  
voice in an effort to improve the  
methods in which it was conducted.  
Mistakes were made, no doubt, but  
thousands of people who differed as  
to the ways and means of its conduct,  
put aside their personal views, and  
did all in their power to advance our  
cause. Mr. Bailey didn't do that.

Fourth: In refusing to make a  
four-minute speech, Mr. Bailey gave  
the flimsy excuse that he couldn't ad-  
vise his friends to buy liberty bonds  
because they were not a good invest-  
ment. That is a reflection on the  
people of Texas. Find a man who  
even considered Liberty Bonds from  
the standpoint of an investment, and  
we'll show you a man who only  
bought bonds, when interviewed by a  
committee of rather stern views.  
Many Liberty Bond speakers didn't  
even mention an investment. They  
told the people that they were neces-  
sary to buy food and clothing for us  
who fought, and ammunition with  
which to fight. Mr. Bailey didn't do  
that.

Fifth: At the conclusion of the  
war some people who had maintained  
a monumental silence throughout the  
conflict, came out of their holes, and  
started a tirade against all that had  
been done; against those who led us  
in this great struggle and against  
our beloved President and the admin-  
istration who had brought about the  
great victory. Against the peace  
treaty, and the League of Nations,  
that great pact which will do so much  
to prevent future wars. Mr. Bailey  
did not do that.

Now in concluding this answer to  
these two letters, we want to say to  
the people that we were soldiers in  
the service of our country, and that  
we oppose Mr. Bailey for Governor,  
and above give our reasons for op-  
posing him.

## MORE REASONS BY AN EX-SOLDIER FOR VOTING AGAINST MR. BAILEY

Cameron Herald:  
Dear Sir:

My reasons from an ex-soldier's  
standpoint for voting against Mr.  
Bailey in a recent issue of our county  
paper must have struck a vital spot  
as it received three answers in last  
week's issue. The one from Mr. E.  
A. Wallace was respectful and kind  
and contained nothing to answer. He  
thinks as many slackers and pro-Ger-  
man sympathizers are voting for Mr.  
Neff as for Mr. Bailey. I leave that  
for others to judge. The article from  
Mr. A. F. Mitchell contains only two  
thoughts, first he chose to be a pri-  
vate rather than a captain, and that  
was his privilege but is that a reason  
for voting for Mr. Bailey? Second he  
says that many were promoted through  
political influences. He surely can't  
mean that for me, as I was promoted  
through nine years' service in the  
National Guard on Nov. 1916 after  
passing a rigid examination before a  
board of Regular Army Officers at  
Fort Sam Houston, but what does this  
have to do with Governor of Texas?  
He gives not a single reason for vot-  
ing for Mr. Bailey.

Mr. J. E. Patison's article was dis-  
appointing in that it gave no reasons  
for voting for Mr. Bailey. I am sorry  
Mr. Patison got the impression  
that I thought all Bailey supporters  
slackers and pro-Germans. My  
language was plainly otherwise.  
Many noble patriots are voting  
for Mr. Bailey, but I say again  
that I can't see why good men are wil-  
ling to line themselves up with the  
enemies of our country when it is so  
plain. Is that intelligible, Mr. Pati-  
son? It is not my purpose or inten-  
tion to be personal or wound anyone's  
feelings. The trouble with many of  
the Bailey crowd is if you criticize  
Mr. Bailey's public record they howl  
unjust criticism and try to divert your  
mind from the issue.

No matter how many personal in-  
sults they make nor how hard  
they try to prejudice the public  
against what I say the fact remains  
that Mr. Bailey by his silence at the  
most critical moment of our country's  
history proved himself unworthy to  
be Governor of any patriotic State.  
His silence was more harmful than  
open rebellion from one thousand or-  
dinary men. While our great Presi-  
dent was straining under his heavy  
load of responsibility where was Mr.  
Bailey? Did he even go as did Mr.  
Taft and Roosevelt to Mr. Wilson  
with expressions of sympathy and  
volunteer to help? On the contrary  
he closed up like a clam. I swore  
while we were in the front lines al-  
most sweating drops of blood that if  
God spared me to get back home I  
would forever remember to speak out  
against the slacker. Is it possible  
that lots of good people are going to  
forget so soon? No sooner had the  
smoke of battle cleared away than Mr.  
Bailey emerges from his hiding place  
with avowed purpose to strike down  
all the ideals for which we fought and  
scatter to the forewinds the great  
achievements of the greatest admin-  
istration since the Civil War. And  
just think of it! He asks Democrats  
and patriotic Americans to support  
him and by appealing to prejudice and  
otherwise he is "getting by" with  
many good men.

I love my country and stand ready  
to make any sacrifice for its honor.  
My opinion is if all our great men had  
been as indifferent and silent as Mr.  
Bailey during our great struggle we  
would have been under the yoke of  
German oppression for a thousand  
years. Believing that way can you  
blame me for speaking out even  
though I am misrepresented.

It is very unfortunate that the  
young Mr. Patison should cast a slur  
at the drafted men, for that was our  
Government's way of using men. I  
am sure he did not mean it like it  
sounds. It is equally unfortunate  
that he should minimize the impor-  
tance of the patriotic self-sacrificing  
spirit of our homefolks. Each part  
had to be played to make and win vic-  
tory and I feel that the home workers  
who were honest and helpful and wore  
flags in the coat lapels, did without  
the sugar and flour that we might  
eat, and did their part in the purchase  
of Liberty Bonds and Thrift Stamps  
and did everything to encourage the  
faint-hearted, deserve as much credit  
as the ones who fought on the battle  
field. Without the aid of the men  
and the women and children at home  
we would not have succeeded but gone  
down in defeat. Did Mr. Bailey do  
any of these things? I am sorry Mr.  
Patison allowed himself to get work-  
up over my piece and say so many lit-  
tle spiteful things about me, but I  
forgive him as I do not know him and  
I am not in the race for Governor and  
my shortcomings do not excuse Mr.  
Bailey. I am sure Mr. Patison is a  
fine boy and some day I hope to meet  
him when he is in a good humor.

DR. JOHN L. DENSON,  
Ex-Major M. C. 141st Inf.

## THE COTTON FARMER AND SEED PRICES.

Editor Cameron Herald:

Dear Sir:

Cotton seed is now selling at Rose-  
bud, in Falls County, for \$30.00 per  
ton, and it is most certain that the  
price will go still higher.

Within the last ten days farm meet-  
ings have been held in various coun-  
ties, and strong protest made against  
the great reduction in the price of  
of seed, and the unreasonable advance  
in the price of ginning.

The oil mill people have attempted  
to answer these charges in the news-  
papers. They say the decline in the  
price of cotton seed was brought about  
by the low price of cotton seed prod-  
ucts. The facts do not bear out this  
contention.

The South Texas Cotton Oil Com-  
pany of Victoria, Texas, on August 14,  
this year, gave a merchant at Rose-  
bud, Texas, the following prices on  
cotton seed products of this crop:

Prime cotton seed hulls, loose, at  
\$10.00 per ton, delivered at Rosebud.

Prime cotton seed hulls, in bags of  
100 pounds, \$16.50 per ton, delivered  
at Rosebud.

Prime cotton seed meal, in car lot,  
delivered at Rosebud, \$61.00 per ton;  
immediate shipment.

This shows conclusively that it is  
not the low price of cotton seed prod-  
ucts that caused the low price offer-  
ed for cotton seed but that it is for  
the purpose of making more profits  
and dividends.

The oil mills, as a rule, sell cotton  
seed oil later on in the season, usu-  
ally in the spring, and after they buy up  
the bulk of the seed they will advance  
the price of the small remnant of un-  
sold seed, and will then base the price  
of cotton seed oil, another cotton  
seed products on the price they pay  
for this small remnant of seed bought  
in the latter part of the season.

### Fall-- Winter Exhibition

We are Pleased to Announce the Open-  
ing of Our Millinery Department,  
Showing the New Fall and  
Winter Modes.

ONE of the joys of the exposition is  
the lovely thrill of "trying on" and  
comparison and then the opportunity  
to select still another and perhaps an-  
other Hat for all the varied needs the  
busy Autumn season calls forth. It is  
enough to know that Paris has had her  
clever finger in many of our models—  
'tis plainly evident too. Fabric lends  
itself well to the popular draped mod-  
els now the vogue. Embroidery, bro-  
cade, ribbon, beaver, coque, glycerined  
ostrich, paradise and jeweled ornaments  
embellish most successfully the autumn  
millinery.

## WACO POPULATION SHOWN AS 38,500

FIGURES ON GREENVILLE AND  
SIX TEXAS COUNTIES  
GIVEN BY BUREAU

Washington, Aug. 21.—Population of Waco is 38,500, an increase of 12,075 or 45.7 per cent as announced by the Census Bureau tonight. Growth of the city since 1889 is shown by the following figures: 1910, 26,425; 1900, 20,686; 1890, 14,425; 1880, 7,295. Populations of Greenville and six Texas counties were also given by the bureau. Greenville has 12,384, an increase of 3,534, or 39.9 per cent. In 1910 the town had 8,850, in 1900, 6,860, and in 1890 4,334. Figures on the counties of Gonzales, Wheeler, Pecos, Jeff Davis, Brewster and Reagan follows:

Gonzales County, 28,438, a gain of 303. The town of Gonzales in this county has 3,138, a loss of 11 in the last ten years.

Wheeler County, 7,397, a gain of 2,139.

Pecos County, 3,857, a gain of 1,786.

Jeff Davis County, 1,445, a loss of 233.

Brewster County, 4,822, a loss of 298.

Reagan County, 377, a loss of 15.

Population of Kansas City, Mo., will be announced Monday at 10:30 a. m.

### THE COTTON FARMER AND SEED PRICES.

Editor Cameron Herald:

Dear Sir:  
Cotton seed is now selling at Rosebud, in Falls County, for \$30.00 per ton, and it is most certain that the price will go still higher.

Within the last ten days farm meetings have been held in various counties, and strong protest made against the great reduction in the price of seed, and the unreasonable advance in the price of ginning.

The oil mill people have attempted to answer these charges in the newspapers. They say the decline in the price of cotton seed was brought about by the low price of cotton seed products. The facts do not bear out this contention.

The South Texas Cotton Oil Company of Victoria, Texas, on August 14, this year, gave a merchant at Rosebud, Texas, the following prices on cotton seed products of this crop:

Prime cotton seed hulls, loose, at \$10.00 per ton, delivered at Rosebud.

Prime cotton seed hulls, in bags of 100 pounds, \$16.50 per ton, delivered at Rosebud.

Prime cotton seed meal, in car lot, delivered at Rosebud, \$61.00 per ton; immediate shipment.

This shows conclusively that it is not the low price of cotton seed products that caused the low price offered for cotton seed but that it is for the purpose of making more profits and dividends.

The oil mills, as a rule, sell cotton seed oil later on in the season, usually in the spring, and after they buy up the bulk of the seed they will advance the price of the small remnant of unsold seed, and will then base the price of cotton seed oil, another cotton seed products on the price they pay for this small remnant of seed bought in the latter part of the season.

### Announcing Our Great Annual Autumn Show

# Fall and Winter Clothing

## IN AUTHENTIC STYLES AND NEW CREATIONS

What the master designers have been able to achieve in the 1920 fall and winter apparel for Ladies, Misses and Children is shown in the many new and distinct styles, fabrics and models that make our new showing the most interesting in recent years.

It affords us genuine pleasure to announce the receipt of large shipments of Fall and Winter clothing with charming accessories and to every woman is offered the opportunity of viewing all that is new and striking and beautiful for Autumn. Our buyer has just returned from New York and other Eastern markets and has picked from the great expositions of the East only those creations in smart apparel for Women and Misses that are new both in fabric and design and represent the last touch of Style and beauty. It is the pride of this store that it is able to present such a complete and authentic Exposition of Autumn modes.

### For Autumn--A New Suit

Crisp cool days that urge one to be out are even more delightful when you are conscious of the newness, smartness, a beauty of a new suit. Lines, generally speaking, are youthfully straight and slim with now and then a jaunty rippled jacket. In defiance of frosts and cold weather are enormous and becoming collars of fur. Finding a suit this season that is smart, attractive and practical for many purposes is indeed simple when one sees the numbers of individual models now being displayed. The new things are here. Every woman who appreciates them will find in the new suits of YALMA cloth, the TINELTONE and other striking new fabrics all that is new in style and authentic in popular design.

### A Coat Selected Early Gives So Much More Pleasure.

Having new modes early in the season before they are worn by everyone else, the wearer gets a certain thrill of satisfaction. Why not select yours now and have it for immediate use as well as later wear? Among this collection is every new style departure you could wish for; utility coats and enveloping wraps with large draped collars, capes and fur trimmings that add to their beauty and stateliness.

The new fabric creations are here in beautifully tailored Coats of SUIDINE, CHAMOIS-TYN and YALAMA CLOTH.

### The Plaited Skirt As Popular As Ever.

Loath to discard the jaunty and dashing skirt of plaid, so beloved by women, designers have used their nimble wits and produced more Plaid Skirts just as clever and youthful as the first ones and yet very different. Knife plaitings prevail, new plait groupings are noted, pockets have vanished, and on a whole colors are a bit less giddy. Autumn days simply demand one of these skirts. They are here in this autumn revue in novelty plaids with leather belts, and in Accordion Pleated styles.

### Fall Frocks are Fascinatingly Embellished.

The Newest Things in Dresses are being shown here first. Among the more pronounced new creations causing widespread comment in the East are the DUVETYNE now being shown in this Fall and Winter Display in all popular colors.

Prodigal use of beading in black, white and iridescent colorings adorns the smart new silk and wool frocks for autumn that are fashioned on chemise, redingote or Russian lines. Embroidery and appliques of kid or contrasting fabric in gay Egyptian and Persian colorings enliven the somber smartness of brown and blue Tricotine, Twill and Duvetyne. For the glorious outdoor days when one goes without a wrap, you will want at least one of these clever frocks.

### Something New in Waists

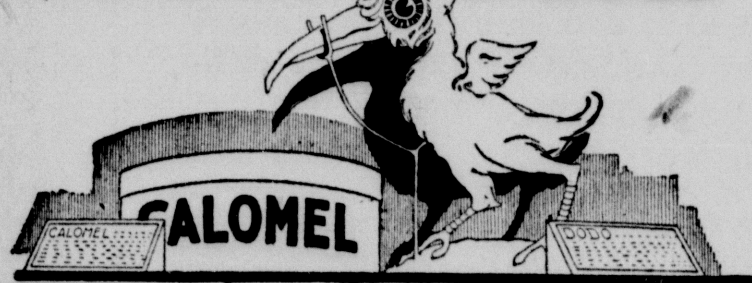

The Oriole Aztec, the premier creation of the season in all that is fashionable in waists is here in this fall showing. You will not overlook this important item in the wardrobe for autumn. We have them in all shades and sizes.

Our buyer has spared no time and expense to bring to our autumn display of clothing and accessories the best that the markets offer and it is our pleasure to announce their arrival. New Goods are arriving daily.

We extend an earnest and cordial invitation to all to visit our store now that each day sees the arrival of new goods—new style creations to enhance our autumn stocks.

Let us have the pleasure of showing you through this stock. Come in and see us. We will make it pleasant for you and it will be our delight to show you what the master designers in clothing have produced this season.

## As Dead as the Dodo

Every druggist in town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist.

### Take "Dodson's Liver Tone" Instead!

Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults.

Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition.

# HON. CULLEN THOMAS ARRAIGNS BAILEY IN SPEECH HERE

DALLAS ORATOR THRILLS BIG  
CROWD IN INTEREST OF PAT  
M. NEFF.

By T. S. Henderson, Jr.

Hon. Cullen F. Thomas of Dallas, spoke on the Court House Lawn at Cameron this afternoon at 3:00 o'clock to a large and enthusiastic audience. The temper of the crowd was in great contrast with Bailey's crowd here yesterday, when even Bailey partisans could hardly be aroused to enthusiasm. The audience today engaged in wild applause at times, and was swayed by the speaker to tears of laughter. The west side on the Court House lawn was entirely filled by a gathering which overflowed the seats that had been provided and several hundred stood in the sun for two hours listening to a masterly presentation of the campaign issues.

Mr. Thomas was introduced by County Judge W. G. Gillis, a former Thomason supporter, who reported that the Cameron Neff Club had already enrolled 580 members. Commenting on Bailey's speech here yesterday, Judge Gillis asked why Bailey was getting the character of support he has here if he is as good a prohibitionist as he says he is, calling the names of some half dozen former anti leaders who are Bailey leaders here.

Mr. Thomas' address contained some new matter, in addition to his usual lines of argument. In answer to Bailey's criticism of Neff's "Land Plank," he read an extract from a message of Thomas Jefferson, written in 1805, in which the father of democracy advocated the identical principle of Neff's land plank. He read from "Who's Who," which he described as a collection of the autobiographies of conspicuous Americans, the autobiography of Joseph Weldon Bailey, in which his office address is given as Southern Building and "Home: 1520 16th St. N. W." Washington.

Mr. Thomas said he was opposed to Bailey for three reasons: because he is not a good Texan; because he is not a good Democrat; and because he is not a patriotic American. Taking up each point separately, he said that irrespective of the legal phase of Bailey's residence in Washington he is unfitted to be governor because he is not in touch with Texas affairs and Texas aspirations; he is not a good Democrat because he is not in touch with Democratic thought and leadership, or with the Democratic masses of Texas; he would not have been at home at the San Francisco Convention when the delegates went wild at the sight of Wilson's picture. Stating that the platform is a yardstick to measure a man's democracy, the speaker said that Bailey has refused to say whether he stands on that platform, and proceeded to take up many planks in detail, declaring that Bailey has pronounced himself as opposed to the purpose of each one; ending with the declaration that every plank in the platform is a denunciation of Bailey's war on Democracy. He called attention to Bailey's votes with Aldrich, his friendship for Sibley, and his defense of Lorimer and vote for an appropriation for Lorimer's expenses.

He discussed Bailey's professed friendships for the farmers along the usual lines, calling up his votes against many pieces of national leg-

## MEAT CAUSE OF KIDNEY TROUBLE

Take Salts to Flush Kidneys if Back Hurts or Bladder Bothers

If you must have your meat every day, eat it, says a noted authority; day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.

isolation which were designed to aid the farmers.

Mr. Thomas' discussion of the labor question and the open shop went to some length, being an elaboration of the usual lines of the Neff speakers, and declaring that Bailey was trying to stir up class prejudice. In this connection he called attention to Bailey's failure to denounce profiteering and quoted statistics to show that profiteering was more responsible for the high cost of living than high wages.

Declaring that there is no room in Democracy for any man who does not stand four-square for the League of Nations, he took a vote of the crowd on the League. There were two noes, of whom was a candidate for office on the "American" Party ticket.

In a graphic review of Bailey's war record, Mr. Thomas said that Bailey had failed his country in the time of his country's need.

He said we honor Bailey's sons for going to war, but Bailey cannot borrow their glory to use in a political campaign in peace time, to hide his own failure to aid his country. He stated that a man who would make a four minute speech during the war should not want to make a four hour speech in peace time.

He closed with a brilliant flight of oratory, asking what Bailey would have done if he had been governor during the last four years, and what he would do if he were governor during the next four years with war clouds on the horizon toward Japan and the Bolsheviks and should again go to war. He also called attention to the fact that it might be possible for the governor to have to appoint a senator, and that senator should be in favor of the League of Nations. Would Bailey appoint such a man?

Mr. Thomas was entertained at the home of Hon. T. S. Henderson for dinner, and left this evening for dinner, and left this evening for

## CITATION BY PUBLICATION

THE STATE OF TEXAS  
To the Sheriff or any Constable of Milam County, Greeting:

You are hereby commanded to summon Charles McGee by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the District Court of Milam County, to be holden at the court house there-of in Cameron on the 6th day of September 1920, the same being the 1st Monday in September, 1920, then and there to answer a petition filed in said court on the 31st day of July, 1920, in a suit, numbered on the docket of said court No. 8224, wherein Rachel McGee is plaintiff and Charles McGee is defendant, said petition alleging: That on or about the 14th of March, 1914 that plaintiff was lawfully married to defendant; That they lived together as husband and wife until the 15th day of September, A. D. 1915, when defendant without cause or default of this plaintiff, left the board and bed of said plaintiff, with the intent to permanently abandon her; That this plaintiff has not lived with or cohabited with defendant since the last named day and date, nor has she even seen defendant since said date so last named. Wherefore plaintiff prays the court that defendant be cited by publication as the law directs, to appear and answer this petition; and upon final hearing she have judgment dissolving said marriage relation; for cost of suit, and for such other and further relief, special and general, in law and in equity, that she may be justly entitled to.

Herein fail not, but have before said court this writ on the said first day of the next term thereof, with your return thereon, showing how you have executed the same.

Witness, Penn Wolf, Clerk of the District Court of Milam County, Texas.

Given under my hand and the seal of said court, in Cameron, this 31st day of July, A. D. 1920.

14-41 PENN WOLF,  
Clerk of the District Court, Milam County, Texas.

## LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur  
Recipe and Nobody Will Know

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to gloss her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wyleth's Sage and Sulphur Compound," you will get the famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known down-town druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

It is a powerful and scientific combination of sulphur and other healing agents for the relief and cure of diseases of the skin. It is especially effective in the ITCHING VARIETIES; giving instant relief from the itching and smarting sensations and by its germ-destroying properties it exterminates the microbe which is the cause of the eruption, thus curing the disease completely.

Little's Liquid Sulphur Compound is used in all cases of Eczema, Tetter, Barber's Itch, Psoriasis, Herpes, Rash, Oak and Ivy Poisoning, also for relieving the annoyance caused by chiggers and mosquito bites.

In the treatment of ECZEMA—the most painful and obstinate of all skin diseases—it is one of the most successful remedies known.

## SOLDIERS OF 90TH DIVISION PLANNING SEPTEMBER REUNION

OKLAHOMA CITY SELECTED AS  
MEETING PLACE FOR MEN  
WENT OVER TO FIGHT

Reports received from all sections of Texas and Oklahoma are to the effect that many of the 90th Division will attend the second annual reunion of that famous fighting unit. The reunion will be held on September 25, 26 and 27, at Oklahoma City. These dates mark the first three days of the Oklahoma State Fair and special railroad rates will be in effect. Arthur J. Reinhart of Dallas, Secretary of the Association, recently made a trip to Oklahoma City in the interest of the reunion. He is highly elated over the progress that is being made to take care of those who attend the reunion and predicts that the meeting will be largely attended and that every member who does attend will be pleased at the cordial reception they will receive from the people of Oklahoma.

The 90th Division was the first division of Texas and Oklahoma men to reach France and saw heavy fighting in helping to wipe out the St. Mihiel salient and also in the Meuse-Argonne campaign. Afterwards the division served in Germany as part of the Army of Occupation. The division was made up almost entirely of the first contingent of the selected service men called to the colors from Texas and Oklahoma. Nearly all of the junior officers of the division were made up of men who secured their commissions at the first officers' training school at Leon Springs. The division, during its active service on the fields of France, suffered over 9000 casualties and many a lad from Texas and Oklahoma who went out with the division, now sleeps in France.

The first reunion of the division was held in Dallas last year during the State Fair of Texas. At that meeting Major Ike S. Ashburn, who was twice wounded while leading his battalion, was elected president, and Arthur J. Reinhart, who was a sergeant in the division, was elected secretary. Major Ashburn when he entered the officers' training camp at Leon Springs, was publicity director of the A. and M. College of Texas. He graduated from the training camp with the rank of captain but was soon promoted to a major and went overseas with this rank. Before going with the A. and M. College, he was a newspaper man. He is now civilian commandant at this well known state institution of learning.

President Ashburn is very anxious that a large number of former members of the division attend the reunion. He urges every man who was ever connected with the division in any capacity to attend the meeting

and help make the gathering a success.

An interesting program is being arranged for the three days and everything is being done that can possibly be done by the people of Oklahoma City to help make the stay of the veterans in their city a success in every way. City and county officials, Chamber of Commerce officials, members of the Oklahoma City Post of the American Legion and various civic organizations will aid in entertaining the members of the Association.

Thousands of Americans who served as balloon pilot observers in the army and navy during the war will journey to Chicago September 11, to see the elimination race for the international balloon race to be started from that city on October 23.

The race will be held from the White City, Chicago because of inability to obtain gas for inflation of the balloons at Indianapolis. According to an announcement of the Aero Club of America, fifteen entries have been received; including such well-known pilots as Ralph H. Upson, aeronautical engineer of the Goodyear Tire & Rubber Company, and present holder of the Gordon-Bennett trophy, Captain Dale Babry, Lieut. B. T. Burt, Lt. R. S. Olmstead, Lt. G. W. McIntyre, Lt. R. E. Thompson, and Lt. H. E. Weeks of the U. S. Army; Lt. Raffie Emerson of the U. S. Navy; A. Leo Stevens of the U. S. Army Balloon School at Fort Omaha; H. F. Honeywell of Clayton, Mo.; W. A. Assman of Little Rock, Ark.; J. S. McKibben, E. S. Cole and A. C. Hopkins, Capt. J. N. Reilly and Bernard von Hoffman, all of St. Louis; R. F. Donaldson of Springfield, Mo.; and Warren Ransom of Brookville, Ohio.

Upson, holder of the Gordon-Bennett trophy, for which the international race will be run, won the right to defend America's honors next October by winning from a large field, the last international contest in 1913 by a flight of 400 miles from Paris to Bridlington, England, R. A. D. Preston was his aide.

The war prevented all international races scheduled since 1913, but the race will arouse greater interest because of the added impetus given aeronautics by the conflict.

Regardless of in what position he finished in the elimination race, Upson will captain the American team that will compete against three entries from Italy and France, and one each from Great Britain and Belgium. He will use the balloon Goodyear II with which he won his last national race in 1919 by a flight of 1020 miles from St. Louis to Dunham, Quebec.

In Upson, A. Leo Stevens and H. F. Honeywell, the United States has three pilots of international reputation and experience, so that the outlook is bright that the Gordon-Bennett trophy will remain in this country and that the next international contest will be staged in America.

## WATER WORKS MAN GIVES OUT FACTS

"I have been trying for years to get something that would relieve me of my troubles and have found it at last in Tanlac," said Alfred Jolly, of 3291 Quitman street, Denver, Colo., and an employee of the water works department of that city.

"For a long time," he continued, "my stomach was in such an awful fix that I could eat hardly a thing without being in misery afterwards. Even the lightest foods would bloat me up with gas and I was constantly belching up sour, undigested food that at times would almost choke me, and often I would get so dizzy and light headed that I would almost fall down, and I would get so nervous that it was almost impossible for me to rest at night. I suffered agony wretched condition that I was hardly fit for a thing.

"After trying nearly everything I could hear of I took Tanlac, and it sure hit the spot and has made a different man of me. My appetite is splendid, my nerves steady, I sleep like a log at night, have gained eight pounds and am in better shape than I have been in years."

"Tanlac is sold in Cameron by New Cameron Drug Co., in Rockdale by Baldrige Bros., in Milano by E. C. Smith and in Burlington by the New Drug Store."

## Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

## TAKE CARDUI The Woman's Tonic

She writes further: "I am in splendid health . . . can do my work. I feel I owe it to Cardui, for I was in dreadful condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.

## SAN GABRIEL GOSSIP

By Mrs. J. S. Woody

San Gabriel, Texas, August 24.—The little gales from the north have made their debut for the season and are stirring things around slightly—for a few hours occasionally. They are reminders that soon the bleak winter slips in to succeed the summer and thus puts an incentive into the breasts of man to make hay while the sun shines and lay by for the rainy day.

The gathering of cotton is very much interfered with, by the frequent rains.

However, a pretty steady run is kept up by our village gin. There were 131 bales ginned last week.

Joe Taylor and family of Dallas, are visiting her parents here, Mr. and Mrs. Max Cummings.

Jim Guthrie attended business in Rockdale last Monday.

Will Lee was a visitor in Taylor Thursday.

Messrs. Jack Dunham, Elbert and Tom Felton, Jr., J. S. Woody, W. S. Glascock and son Guy, H. H. Camp, Bud Guthrie, Ted Adams, A. R. Glascock and son, William, John Davis, A. M. Camp, J. M. Gilchrist and Henry Camp attended the Bailey speaking in Cameron last Wednesday.

Rev. John Moore and family were in Lilac Monday afternoon.

Mrs. Howard Amason and children of Austin came in last Thursday to make a visit here to her parents, Mr. and Mrs. A. M. Camp and other relatives.

Clyde Lawson of this community, and Miss Katy, Dunham of Duncan, were married last week.

Mrs. Vira Camp returned Saturday from Huntsville.

Mrs. Ed Kirkman and little daughter, Sarah Mae, returned Sunday from a week's visit to relatives in Waco. While in that city Sarah Mae underwent an operation for tonsils and adenoids.

Misses Ora Yeager, Eula Gilchrist and Verna Roberts finished the summer course at San Marcos State Normal and returned to their homes in this community last Thursday.

Branch Lewis of Rockdale was in this vicinity Friday.

DeLeslie Richardson returned Monday from a few days' stay in Houston, where he went in quest of cotton pickers.

Mrs. Tinny Lindsey was shopping in Thorndale Saturday.

H. M. Camp is now riding in a beautiful new 8-cylinder Oldsmobile, purchased last week.

## Mr. Bailey Repudiates His Own Language

In a speech at Taylor on August 17, 1920, Mr. Bailey stated: "They told you I did not want to make Liberty Bond speeches because I was unwilling to advise my friends to make a bad investment. This is an unadulterated lie. I did not refuse to make speeches for any such reason as that."

Mr. Bailey spoke at Austin on April 9, 1920, and his speech was taken word for word by Mr. Charles E. Pickle, a thoroughly competent stenographer. In that speech Mr. Bailey used this language:

"They say that I refused to speak at a Bond Selling Meeting one night, and that is true. They came to my office and asked me to go to one of the theaters there. I said, 'No, I must not.' I said, 'If I told these people the truth they would not buy your bonds, and I would not tell them a lie, even to get them to buy your bonds.' He said 'What do you mean?' I said, 'I simply mean that the bonds you are selling will go below par. Many a poor man who is buying them now will have to sell them at a discount, and I cannot go there and tell them anything without telling them the truth.' Was it a crime that a man should not lie, even for his country? What do you think about that? I was right, wasn't I? The bonds did go to a discount, and are at a discount now;

three are visiting relatives near Salty this week.

r. and Mrs. Reid of Bartlett were guests of C. Yeager and family Monday.

Ed Kirman and daughters, Misses Lola and Cora, motored to Cameron Sunday.

Messrs. Elbert Felton, H. H. Camp, J. S. Woody, Tom Felton, Jr., J. M. Gilchrist, Bud Guthrie attended the Pat Neff speaking in Taylor Wednesday evening.

Miss Clara Moore is visiting in Thrall this week.

Dick Dunham is now discharged from army service and is spending a while here with homefolks.

Mr. and Mrs. Will Ellison were in Thrall Saturday.

Mrs. Barron was trading in Thorndale Saturday.

Misses Gertrude and Lovey Locklin and Mace Moseley were shopping in Thrall Saturday.

#### DINNER PARTY

The handsome home of Dr. and Mrs. Jim Watson was all aglow last Wednesday evening when they entertained a few friends at a seven o'clock dinner.

Even the passer by caught a glimpse of the beauty and splendor within and they saw brilliantly lighted rooms decorated with pink queen's wreath, and ferns. A handsome board was laid in blue luncheon set; white and pink dinner set, with a most graceful centerpiece of a gold basket filled with pink queen's wreath tied with blue moline, the place cards in pink and blue with basket design. Around this board were seated Mesdames Frank Hickland of Weatherford, as honor guest, John Watson, Mr. and Mrs. Oxsheer Smith, Mr. and Mrs. R. D. Brown, Dr. and Mrs. Jim Watson, Miss Lilla Bassett of Dallas, and Mr. T. F. Hardy.

Mrs. Watson herself served a splendid four course dinner.

#### Menu

Fruit Cocktail  
Fried Chicken, Stuffed Peppers, Rice  
Dressed Eggs and Tomato Salad,  
Hot Rolls, Butter, Olives,  
Crackers  
Combination Salad in Gelatine Molds,  
Wafers

Ice Cream Angel Food Cake  
Between courses Mrs. Watson had planned a novel mode of entertainment and as she went in and out among them they found slips of paper under their plates and in the spur of the moment had to comply with the request.

Mr. Oxsheer Smith was asked to tell why he was going to vote for Joe Bailey, Dr. Jim Watson why he wished patients to eat onions before coming to his dental chair, and so on through all the guests.

Next nursery rhymes from which to write a parody for the newspaper, social, local or advertisement.

All these were done and very cleverly too and afforded much merriment and the party lingered around the board for two hours.

#### THURSDAY READING CLUB

A number of Cameron ladies motored to Rockdale Thursday afternoon to attend a reception given by the Thursday Reading Club at the home of Mrs. Ed Simms.

It was the sixth anniversary of its organization and the reception was in the nature of a birthday party.

Before the guests entered they were served punch on the porch by daintily dressed girls.

They stepped into the reception suite which was gorgeous in white roses, lilies, and crocus. The dining room was in blue and white, the centerpiece on the table was a large white birthday cake with six blue candles and the date on top. This was surrounded by white crocus and fern. Here sandwiches and punch were served.

Those attending from Cameron were: Mesdames Jim Watson, Bill Alex Bonds, Misses Katie, Winnie, and Mary Lake Henderson, Lilla Bassett of Dallas.

#### KAMERON KAMP DANCE

Thursday night the young men of the Kamp Krowd entertained at the Legion Hall. It was more especially in compliment to the Calvert young men and ladies who entertained them so royally last week.

The Lone Star Five band of Waco, furnished music and ten gallons of delicious punch was served throughout the evening by Misses Bessie Wiley,

Velda Walker and Agnes Henderson.

There were about twenty couples dancing and Mr. and Mrs. Oxsheer Smith, chaperoned.

#### NELSON GREEN ENTERTAINS

Last Friday Nelson Green gave a dinner party at twelve o'clock. Eight boys were seated around a bountiful board made attractive and beautiful with a center piece of white roses and tube roses.

Boys do not care for a prolonged course dinner, so Mrs. Green served only two courses consisting of fried chicken, tuna salad, creamed potatoes, rice, tomatoes and pickles and finished up with ice cream and cake.

After the dinner the boys played "42" awhile and then went to the swimming pool.

Those attending were: Mike Wiley, Sam and Frank Cheeves, Reed Rogers, Clarence Sapp and Bill Baskin.

#### SIGMA PHI-KILLKARE

Miss Olive McGehee was hostess to these clubs last Friday afternoon at five o'clock at the home of Mrs. O. L. Kidd.

All kinds of beautiful cut flowers throughout the entire reception suite made a pretty setting for the merry maids and matrons of the two clubs, almost all of which were present.

This being the last meeting before the girls separate for the winter to take charge of their schools, there was interesting exchange of plans and ideas for the coming season.

A delicious course of chicken salad, pear, salad, crackers, olives and ice tea was served.

MISS ATKINSON ENTERTAINS

Friday at seven-thirty o'clock at the beautiful country home of Mr. and Mrs. Hubert Atkinson, near Maysfield, their daughter, Miss Emma entertained at dinner.

Six couples from Cameron motored out for the evening's pleasure.

The Atkinson home was bright and cheerful in red and white decorations, red zenias and white clematis and ferns. Red zenias graced the center of the dining table, dainty place cards in lighted lamp post design with verses on each, some of which were: "Don't let the grass grow under your feet, but eat hearty," "This shows my home address," and "You have a good address, let's hear you talk."

A delicious chicken dinner with all the "accessories" was served followed by ice cream and cake.

Those seated at this hospitable board were: Misses Anna Lou Baskin, Louise Gillon, Arnette Tabor of Austin, Mildred Chambers, Katie McCall, Irene Cheeves, Emma Atkinson, Messrs. Hubert Atkinson, Ernest Wiley, Claud Triggs, Elliott Atkinson, Emil Klatt, George Childress, Ben Baskin.

#### PIANOS

#### SWIMMING PARTY

Friday morning from six to eight o'clock those living in the neighborhood of the Natatorium did not get their second morning nap for shouts of laughter and screams of delight came from the popular "nat."

Arthur Taber and Glenn Flinn were hosts at a swimming party. Eight couples participated with Mr. P. O. Adams as chaperone.

#### MISS DOSSETT

Saturday morning Mrs. W. H. Henley entertained in honor of her niece, Miss Elizabeth Dossett of Waco.

The home was fresh and beautiful in cut flowers and ferns—a fragrant and bright setting for the nine summer girls who were bidden to the reunion, as it were, for they were all Miss Dossett's classmates in Cameron High School.

These girls had made and kept memory books when schoolmates together, and Miss Motie Cass brought hers along and quite a merry time was had in looking over and reading from it.

Mrs. Henley served a delicious luncheon consisting of sliced ham, hot rolls, butter, tomatoes, olives and ice tea.

Those present were: Misses Dossett of Waco, Motie Cass, Mary McLane, Virginia Vest, Gladys Walker, Catherine Walker Catherine Flinn, Lola Greer of Austin, Mabel Jeter and Mrs. Ira Perry of Dallas.

#### A SHOWER

When Mrs. Max Collins returned last Tuesday afternoon and was driven to her new home the hurt of the loss by fire of the old one was made

lighter by the kindness and love of the ladies of Cameron.

On entering the dining room she found the table laden with household effects—quilts, one dozen sheets, pillow cases, towels, dresser scarfs. In the kitchen was a beautiful display of aluminum, and many other things, too numerous to mention.

A note accompanying the gifts read thus:

Dear Mrs. Collins:

While you are not a newly wed, still your friends thought it would not be amiss to shower a bride of twenty or more summers. We hope that these gifts will, in a measure, take the place of those you lost; and we wish you much happiness.

#### TACKY PARTY

At Mr. and Mrs. Bob Terry's last Friday in honor of Mr. Ed Neinst about fourteen couples assembled.

The house was decorated throughout with yellow sunflowers.

When all costumes were inspected it was decided that Miss Bernice Terry and Albert Collins were dressed the tackiest.

A contest for telling the biggest "fish" story Albert Collins was given a red stick of candy.

Hats were made out of tissue paper and Homer Jacobs won the prize for the tackiest one made and Ray Tyson for the prettiest and were given boxes of chicklets.

Dancing and old-fashioned games were played.

Red lemonade served from a lard can with tin cups, and pop corn were served.

## ? HOW OLD IS MISTER PAT NEFF ?

### READ THE EVIDENCE

IF HE HAD NOT PASSED HIS FORTY-SIXTH BIRTHDAY ON SEPTEMBER 12, 1918 (the date set for registration), HE WAS SUBJECT TO THE DRAFT LAW.

Here is an excerpt from Section 3 of the Draft Act approved August 31st, 1918:

"Persons shall be subject to registration as herein provided who shall have attained their eighteenth birthday and who shall not have attained their forty-sixth birthday on or before the day set for registration."

IF PAT NEFF WAS BORN ANY TIME AFTER SEPTEMBER 12, 1872, HE WAS SUBJECT TO REGISTRATION AND THE DRAFT! HE DID NOT REGISTER!

Here is some of the evidence upon the issue of his age: (1) The law requires the Tax Collector or his deputy to swear a voter with respect to his age when he issues a poll tax receipt. Here are true copies of Neff's poll tax receipts issued December 31st, 1918, and January 10, 1920.

POLL TAX RECEIPT  
STATE OF TEXAS, County of McLennan.

Received of Pat M. Neff on the 31st day of December, A. D., 1918, sum of one and 75-100 dollars in payment of poll tax for the year A. D. 1918.

The said taxpayer, being duly sworn by me, says he is 46 years old, that he resides in voting precinct No. 2 in McLennan County; that his race is white; that he has resided in Texas forty-six years; that he is by occupation lawyer; that he resides at No. 2110 on Austin Street in the second ward and has resided in the city of Waco for the past twenty-five years. All of which I certify. LEE R. DAVIS, Tax Collector, County of McLennan.

We certify that the foregoing is a true and correct copy of the poll tax receipt issued to Pat M. Neff for the year 1918 as shown by the records in the office of the Tax Collector of McLennan County, Texas. Witness our hand and seal, at office in Waco, Texas, this 21st day of August, A. D., 1920.

CENTRAL TEXAS ABSTRACT COMPANY,  
By Geo. H. Gay, Manager.  
THE ABOVE SHOWS THAT ON DECEMBER 31ST, LESS THAN FOUR MONTHS AFTER THE TIME FOR REGISTRATION, NEFF THUS DECLARED THAT HE WAS FORTY-SIX YEARS OF AGE, HIS BIRTHDAY HAVING BEEN ON NOVEMBER 26TH TWO MONTHS AND FOURTEEN DAYS AFTER THE REGISTRATION DATE.

POLL TAX RECEIPT  
No. 1077, January 10th, 1920.—Triplicate.

Received of Pat M. Neff:  
THE STATE OF TEXAS, County of McLennan.

Received of Pat M. Neff, No. 1077, on the 10th day of January, 1920, the sum of one and 75-100 dollars in payment of poll tax for the year 1919. The said taxpayer, being duly sworn by me, says he is 47 years old; that he resides in voting precinct No. 3, in McLennan County, Texas; that his race is white; that he has resided in Texas 47 years; that he is by occupation lawyer; that he resides at No. 2110 on Austin Street, in the third ward, and has resided in the city of Waco for the past 25 years. All of which I certify. LEE R. DAVIS, Tax Collector, County of McLennan.

Before me, the undersigned authority, on this day personally appeared Warren Wood Hunt, who on oath says that he is a resident citizen of Waco, McLennan County, Texas, and was formerly official court reporter for the Fifty-Fourth Judicial District of McLennan County, Texas; that he personally made an examination of the poll tax records of McLennan County in the Tax Collector's office showing the poll taxes paid as assessed for the year 1919; that he made a copy of said records as to the poll tax receipt of Pat M. Neff, as shown by said record.

Sworn to and subscribed to before me, this 21st day of August, A. D. 1920

Notary Public in and for McLennan County, Texas.  
The above shows that on January 10, 1920, Neff swore that he was then 47 years of age. His nearest birthday then was November 26th, 1919, and if the affidavit is correct it would fix his birth date as November 26th, 1872.

(2) During February, 1920, Neff circulated at Hillsboro a campaign card. On one side of this card appeared his picture and the following: "Pat M. Neff of Waco, Texas, candidate for Governor, subject to Democratic Primary July, 1920. Over." On the other side of the card was a personal sketch, the opening sentence of which reads as follows: "Pat M. Neff IS A NATIVE TEXAN 47 YEARS OF AGE." Neff's nearest birthday to the distribution of this card was November 26th, 1919. If he became 47 years old on November 26th, 1919, HE WAS BORN NOVEMBER 26th, 1872. REMEMBER, this was Neff's own statement.

(3) In the yearbook of Texas published in 1903 by the Librarian of Texas, Honorable C. W. Rains, appears the following statement: "Pat M. Neff was born near McGregor on November 26th, 1872." Undoubtedly this date was furnished by Neff.

(4) On page 2081, Volume 11, of "WHO'S WHO IN AMERICA," 1920-1921 EDITION, appears a character sketch of Mr. Neff. The publishers of this book declare that "Sketches for Who's Who in America are prepared from first hand material only." As a matter of fact, the material is furnished by the subjects of the sketches themselves. In said sketch it is said:

Neff, Pat Morris, Lawyer, born McGregor, Texas, November 26th, 1872, etc.

(5) W. A. Fraser, a high officer of the Sovereign Camp of Woodmen of the World of America, and a supporter of Neff, Omaha, Nebraska, wired a member of a Woodman Lodge in Texas August 21st, 1920, as follows:

"Neff born '72. Policy issued 1905. Hope he will be your next Governor."

This means that Mr. Neff's application for a Woodmen policy and

for membership in the lodge states his birth date as being November 26th, 1872. The telegram was in response to telegraphic inquiry as to what the Woodman records show about Neff's age.

(6) MARTINDALE'S AMERICAN LAWYERS' DIRECTORY is an annual publication in general use by the lawyers of the United States, and each volume contains a brief history of each lawyer. The data for this publication is gotten first hand, and whenever there is a change in the law partnership the publishers call upon the particular lawyers affected for correct data. The volumes of this publication can be seen in almost any lawyer's office; they have been examined for the period from 1915 to 1920 and each year Neff is shown to have been born in 1872. Neff has had constant access to these volumes all these years, and if the data about him was incorrect he should have had it corrected.

(7) The Legislative Records during the period of Neff's membership shows his age. The Manual for 1901 states his age as being 28 years at that time. His birthday nearest to the publication of this manual was November 26th, 1872. The Manual for 1903 shows his age then as being 30 years. His birthday nearest to the publication of this Manual was November 26th, 1902, and this fixed his birth date as being November 26th, 1872. The data for these official records was furnished by the various members of the Legislature. Neff was a member of the House in 1901 and was Speaker of the House in 1903 and it was a part of his official duties to see to it that the records were correctly kept.

(8) Congressman Tom Connally was a member of the House when Neff was elected Speaker. In a speech supporting Neff's nomination for Speaker in 1903, Mr. Connally said: "It is hardly necessary to speak of his service. YOU KNOW HOW HE ENTERED HERE AT THE AGE OF TWENTY-SIX, etc., etc." See page 6, House Journal, 28th Legislature, Regular Session. Neff "ENTERED HERE" in January, 1899. The birthday nearest to his entry into the Legislature was November 26th, 1872, and this fixed his birth date as November 26th, 1872. Neff, undoubtedly, would have corrected Mr. Connally if an erroneous statement had been made.

(9) In the issue of January 14, 1903, The Dallas News reported Neff's election as Speaker of the House and gave a biographical sketch. Among other things, it said: "PAT M. NEFF WAS BORN AT McGregor, Texas, Nov. 26th, 1872." Neff, in his recent speeches, has repeatedly said that the Dallas News is correct in its reports.

(10) Every man and woman who has attended the University will remember that he or she was compelled to fill out a detailed report of his or her family history at the time of matriculation and file the same. Neff attended the University and in his report stated his birth date as being November 26th, 1872.

MIND YOU: All of the above evidence came into evidence through a series of years and under circumstances when there was no motive to make incorrect statements and is, therefore, entitled to credibility. Some of it was made under circumstances constituting a violation of the statutes of Texas if it were false; and the rest of it was made when it was of importance for it to be correct.

Neff now says that he was born November 26th, 1872, and relies upon an alleged entry in a Bible to substantiate his statement. According to Neff his Bible has been in the family for "seventy-five years," but according to the Dallas News of August 22nd, 1920, "the date in the front of the book (Bible) shows it was printed in 1867," only fifty-three years ago. In this connection The News of August 22nd, 1920, contains an affidavit showing entries in this book PRINTED IN 1867, as follows: Marriage of Noah Neff and Elizabeth Shepherd, October 26th, 1854; birth of Edward Neff, Dec. 31, 1855; birth of Charles Neff, April 7th, 1857; birth of Sam Neff, Sept. 25th, 1858; birth of Ben Neff, Nov. 29th, 1860; birth of Robert Neff, August 21st, 1862; birth of Sallie Neff, Dec. 9, 1864; birth of David Neff, Oct. 28, 1866. The last of these events happened one year and the first happened thirteen years before the book itself was printed! This circumstance under the rules of evidence would exclude the book from evidence in a court of justice unless the circumstances were further and properly explained. And before it could be offered in evidence in a court of justice the person, or persons, interested in disputing its accuracy would have the right to inspect it for evidence of alterations. With respect to the credibility to be given Bible entries when a man's age is in question the court in the case of St. L. S. W. Ry. Co. vs. Bowles, 72 S. W., 454, said:

"It is insisted that in proving age the record of births in the family Bible is the best evidence. Such record is hearsay, IT IS NOT THE BEST EVIDENCE." And why it is not the "best evidence" everybody who gives the matter thought will understand.

If the facts stated in Neff's oath before the Tax Collector are correct, if the facts stated in the other records, are correct, then, without question, Neff had not reached his forty-sixth birthday on Sept. 12th, 1918, and it was his duty to register.

If the facts were incorrectly stated by Neff when he took the oaths before the Tax Collector, and if he knew they were incorrect, then another serious criminal offense was committed.

If Neff thought he was stating the real facts in his oath before the Tax Collector, and in his campaign cards, and elsewhere, then without question, at the time for registration in 1918 he thought he was not forty-six years old and it was his moral and patriotic duty—if not his legal duty—to register on September 12, 1918.

If the facts were incorrectly stated in his oaths before the Tax Collector and in his campaign cards and elsewhere, why did he state them incorrectly?

The conclusion is irresistible that Neff was either not forty-six years old Sept. 12th, 1918, or he thought he was not forty-six years old on that date. If this conclusion is correct, then Neff either violated the draft law (in the event he was in fact under forty-six years old) or he thought he was escaping the draft in violation of law (in the event the Bible entry is correct), or that he was ignorant of the draft?

## HOPELESS DISEASES CAN NOT BE CURED BY DOCTORS OR MEDICINE

There are some diseases which are absolutely hopeless and past cure by any physician or medicine, but they may be palliated and a medicine, if it does not help in one case, may help in another. To any one suffering from a disease a remission is a degree of health and a medicine that relieves or palliates a disease is of great benefit. We can not guarantee to cure any disease with Number 40 For The Blood, but we quote word for word what the ingredients in 40 are recommended for in the U. S. Dispensary and New American Materia Medica: "In the treatment of blood troubles an acknowledged remedy among all schools of physicians, removes the cause of disease, stimulates the removal of waste, thus indirectly encouraging nutrition. Disorders of the nervous system demand this remedy, such as neuralgias, chronic rheu-

matism, gouty conditions, auto-intoxication, constipation. Used with phenomenal success in eczema and skin diseases, lumbago, glandular swellings, ulcerations of mucous membranes and in general disorders of the stomach, liver, kidneys and spleen." Prepared by J. C. Mendenhall, Evansville, Ind., 40 years a druggist. W. S. King, 802 E. 4th St., Pueblo, Col., makes the following statement: "I suffered for a number of years with kidney trouble, sciatic rheumatism and constipation, tried numerous remedies with little or no benefit. I was induced to try Number 40 For The Blood. I found I was benefited from the start, and after taking six bottles received such wonderful and satisfactory results, I am prompted to make this statement." Richmond, Texas, Aug. 20.—Vince Zachek, a prosperous Bohemian farmer living seventeen miles west of here, was found dead at his home.

He was shot in the back of the head almost disemboweled and his throat cut from ear to ear. The body was propped up beside a table in the yard and covered by a quilt which had been saturated with oil and set on fire.

Near the man was his dog, with its throat cut and a cat disemboweled.

His wife was the only person on the place. She said he cut himself open and then asked her to cut his throat, which she says she did. She could not tell how he was shot in the head.

The woman was arrested and placed in jail here.

About a year ago she was arrested for lunacy, but was released at the request of her husband, who said she was not of unsound mind.

## You Do More Work,

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

# Announcement

This is to announce to the public and to meat consumers in Cameron and Milam County that we have purchased the Carter Meat Market in Cameron and have taken charge of the business and will conduct it in the future.

We wish to impress upon the public the character of service and the high quality of fresh meat and other meat products that will be sold in this market under the new management. It will be our policy to handle only the best of everything in meat and meat products such as handled in the more modern and up-to-date markets of the cities and in so conducting this market we feel that a general demand will have been met in Cameron.

Practically all of the meat to be sold in the market will be raised on our farms and ranch in this county. We will carry the best at all times and ask the people of Cameron to give us patronage.

We will deliver meat in the forenoon from seven to nine o'clock; and in the afternoon from four to six o'clock. We are now remodeling the market and making everything sanitary and clean.

Yours very truly,

## NEFF PREDICTS ELECTION BY 100,000 VOTES

Fort Worth, Texas, Aug. 25.—"If Republicans are kept from participating in the Democratic primary Aug. 28 and the election laws are strictly enforced, Joe Bailey will be defeated by 100,000 votes," stated Pat M. Neff of Waco, candidate for Governor, who was in Fort Worth Friday morning.

Neff came to Fort Worth from Decatur, where he spoke Thursday afternoon. He left here for Van Alstyne Friday afternoon. He will make a brief address there, leaving in time to speak at Sherman Friday night. He will speak at Gainesville Saturday night.

"I have received information that efforts are being made to have Republicans, their by-products and political mavericks throughout the State to go into the primary to defeat me," Neff said. "The election judges should see that only Democrats are allowed to vote, and in cases where persons belonging to other parties swear they are Democrats should be prosecuted."

At least one address a day will be given by Neff during the first five days of next week. He said he would return to his home at Waco in time to vote in the primary.

## UNITED STATES TIRES NEWS

One of the delights to be enjoyed by motorists during the warm summer months is to motor out into the country with a well-filled lunch basket and have a picnic at some shaded spot along the roadside.

Every group that enjoys itself in this way has one duty to perform which should be scrupulously observed, says the United States Tire Company. This is to make sure that all rubbish and waste paper gathered up and hidden away so that the spot which was chosen for its loveliness will look as pretty when the party leaves as when it arrived.

Near large cities where the picnickers are numerous many attractive little places look anything but attractive when the motorists drive off leaving a litter of empty boxes, paper and bottles. It is equally important that campfires be completely extinguished and that no half-burned cigars or cigarettes be left lying in the grass or leaves to start a fire that may do serious harm to property. The amount of property loss due to carelessness of this sort runs into a large annual total.

Any American who was in the war is likely to have the lessons of proper policing so drilled into him by his experiences in the army that he will not need any urging to get him to clean up the debris after a picnic. One thing he learned thoroughly was to remove every slightest trace of an encampment, and it will be hard for him to forget the lessons he learned. Motorists who did not get into service ought to acquire this one habit that every man who got into uniform learned was the mark of a good soldier.

## KEEP YOUNG

People with bad backs and weak kidneys are apt to feel old at sixty. Many old folks say Doan's Kidney Pills help them keep young. Here's a Cameron case:

Mrs. S. A. Gjedde, Cameron, gave the following statement June 26, 1915: "I am glad to endorse Doan's Kidney Pills for they have done me lots of good. My back ached constantly and I wasn't able to do my work. I was down in bed part of the time and suffered constantly. My head ached and I could hardly see from dizziness. Rheumatic pains darted through my back and sides. My kidneys acted too often and most of the time not freely enough. I was caused much pain and there were other signs of kidney weakness. I was in a bad condition when I read about Doan's Kidney Pills and sent to the City Drug Store for them. Two boxes of Doan's put my kidneys in good order and rid me of the pains in my back."

On July 2, 1919, Mrs. Gjedde added: "All I have previously said in recommendation of Doan's Kidney Pills, I gladly confirm. I wish to say I feel I owe my good health in my advanced years to Doan's Kidney Pills."

## Goodyear Mileage—and Tires for Small Cars

A well built tire yields much more mileage for each dollar of cost than a tire purposely made to be offered at a sensationally low price; buy the tire, not the price.

Built to deliver exceptional mileage at exceedingly low cost, Goodyear Tires, of the 30x3, 30x3½ and 31x4-inch sizes, save inconvenience, disappointment and money.

Their value results from the application of Goodyear experience, expertness and care to their manufacture in the world's largest tire factory devoted to these sizes.

THE UNIVERSAL CAR

## Surest Thing in the World

Two and two have always made four. There would not be more than three million five hundred thousand Ford cars in daily service—which is just about one-half of all the automobiles in America—if the Ford, as a reliable motor car, did not meet the demands of all classes of people everywhere under all circumstances.

Two and two have always made four. If the material, the iron and the marvelous Vanadium steel used in the construction of the Ford chassis, were not of the highest quality known to the science of Metallurgy, then the Ford car could not have won its world-wide reputation for reliability.

Two and two have always made four. When replacements and repairs are required on Ford cars, the Ford owner will be wise in bringing his car to our place, because we use only the Genuine Ford Parts, and we have the Ford skilled mechanics, and all the Ford knowledge that goes to maintain the high standards of quality which is original in the Ford car.

When you want a Ford car or a Ford truck, and when you want repairs or replacements for the same, we earnestly solicit your business, assuring you of prompt attention, real Ford service, and economical Ford prices.

## WHAT IS THE NAME AND OF WHAT AGE IS MR. BAILEY?

Opponents of Mr. Neff attempt to make much capital out of that fact that he was born on November 26, 1871, and that printed statements have appeared stating he was born on November 26, 1872.

People who live in houses of glass shouldn't throw stones at those who pass.

According to the old citizens of Crystal Springs, Mississippi, Mr. Bailey was born on Oct. 6, 1862, but according to Mr. Bailey in the Congressional Directory, he was born on Oct. 6, 1863 (see Chap., pages 8 to 15 inclusive of the Bailey Controversy in Texas, by W. A. Cocke). Is it possible that Mr. Bailey, the repository of all wisdom doesn't know his own age?

It seems also that Mr. Bailey has had a series of other rather singular lapses of memory, viz.: On the records of the University of Mississippi for the year 1879 to 1881, Mr. Bailey's name appears as J. E. Bailey and Joseph Edward Bailey; the records of Vanderbilt University for 1881 shows the name of Joseph E. Bailey. The records of the University of Virginia shows that Joseph Edgar Bailey of Crystal Springs, Miss., attended that school for a short time during the session of 1881-1882. At Lebanon Law School which he attended for one year Mr. Bailey for the first time registered as Joseph W. Bailey of Crystal Springs, Mississippi yet Joseph E., Joseph Edward, Joseph Edgar, Joseph W. and Joseph Weldon Bailey are one and the same person. Mr. Bailey didn't know his name was Joseph Weldon Bailey until 1882-'83 at Lebanon School (see the Bailey Controversy in Texas, Chap. 11, pages 8 to 15 inclusive).

In this connection we might add that the people of Texas did not know until 1908 that Mr. Bailey had one name by which the people of Texas knew him and another name by which he was known in the Secret Cipher Code of an outlawed Oil Company. To Texans he was Joseph Weldon Bailey; to the big oil company he was

Senator Republish (see report of Investigation Committee at Austin in 1907. In the light of his failing memory as to his age and as to his names, it is permissible to ask:

How old is Joseph E.; alias Joseph Edward, alias Joseph Edgar, alias Joseph Weldon Bailey, alias Senator Republish?

## LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur  
Recipe and Nobody Will Know

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to gloss her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," you will get the famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known down-town druggist says it darkens the hair so naturally

and even that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

## CITATION BY PUBLICATION

### THE STATE OF TEXAS

To the Sheriff or any Constable of Milam County,--Greeting:  
You are hereby commanded to summon Charles McGee by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the District Court of Milam County, to be holden at the court house thereof in Cameron on the 6th day of September 1920, the same being the 1st Monday in September, 1920, then and there to answer a petition filed in said court on the 31st day of July, 1920, in a suit, numbered on the docket of said court No. 8224, wherein Rachel McGee is plaintiff and Charles McGee is defendant, said petition alleging:

That on or about the 14th day of March, 1914 that plaintiff was lawfully married to defendant; That they lived together as husband and wife until the 15th day of September, A. D. 1915, when defendant without cause or default of this plaintiff, left the board and bed of said plaintiff, with the intent to permanently abandon her; That this plaintiff has not lived with or cohabited with defendant since the last named day and date, nor has she even seen defendant since said date so last named. Wherefore plaintiff prays the court that defendant be cited by publication as the law directs, to appear and answer this petition; and upon final hearing she have judgment dissolving said marriage relation; for cost of suit, and for such other and further relief, special and general, in law and in equity, that she may be justly entitled to. Herein fail not, but have before said

court this writ on the said first day of the next term thereof, with your return thereon, showing how you have executed the same.

Witness, Penn Wolf, Clerk of the District Court of Milam County, Texas, 14-4t

Given under my hand and the seal of said court, in Cameron, this 31st day of July, A. D. 1920.

## OLD BIBLE OF NEFF PROVES AGE CLAIM

DATE OF BIRTH OF PAT NEFF  
GIVEN IN RECORDS AS  
NOV. 26, 1871

(Dallas News.)

An old family Bible belonging to Noah Neff and his wife, Elizabeth Neff, the father and mother of Pat Neff, who is now a candidate for governor, showing the date of their marriage and the dates of the births of their children, was brought to The News office by J. M. Pittillo, editor of the Farm and Labor Journal and Judge S. W. Bishop, both of Waco.

The Bible likewise contains a number of clippings from newspapers regarding the deaths of different members of the family. The date in the front of the book shows that it was printed in 1867.

An affidavit dated Aug. 21, 1920 and signed by fourteen citizens of Waco declaring that they had examined the Neff family Bible and found that among other records it was shown that Pat Neff was born on Nov. 26, 1871, was also brought to The News. The affidavit states that he not within the draft age and was not required to register.

The entries found in the Bible are as follows: "Noah Neff and Isabel E. Shepherd were married on Oct. 26, 1854. Edward Lewis Neff was born Dec. 31, 1855. Charles Deyerle Neff was born April 7, 1857. Samuel Herbert Neff was born Sept. 25, 1858. Benjamin Russell Neff was born Nov. 29, 1860. Robert Shepherd Neff was born Aug. 21, 1862. Sallie Jane Neff was born Dec. 9, 1864. David Leslie Neff was born Oct. 28, 1866. Elizabeth Frances Neff was born July 18, 1868. Pat M. Neff was born Nov. 26, 1871."

The affidavit states that "We have personally examined the old family Bible of Noah and Elizabeth E. Neff, the father and mother of Pat Neff, who is now a candidate for Governor, and we find that the Bible is an old, faded book with broken back, and under the column in the family record marked births, among others is the following: Pat Morris Neff was born Nov. 26, 1871. We find that the

handwriting in which this is and the other entries on this page are written, is old-style, faded, but clear. We further state that Mr. Neff having been born in November, 1871, was not within the draft age, and was not required to register."

The following names appear on the affidavit: Frank B. Tiley, County Attorney of McLennan County; Ben C. Richards, Mayor of Waco; George W. Tilley, ex-sheriff; S. W. Bishop, attorney; Joe W. Hale, attorney; John Walton, real estate; Edgar E. Witt, State Senator; J. M. Pittillo, editor Farm and Labor Journal; J. T. Harrington, M. D.; Lee Jenkins, Chief of Police; James P. Alexander, County Judge; W. W. Woodson, president of the First National Bank; W. H. Jenkins, attorney; and W. L. Crosthwait, M. D.

### Affidavit of His Mother

The News last night received the following affidavit by wire from J. W. Hale, campaign secretary for Mr. Neff at Waco:

"State of Texas, County of McLennan. Mrs. I. E. Neff, being duly sworn on oath do state that Pat M. Neff, who is a candidate for Governor of Texas, is my son, and Pat M. Neff was born Nov. 26, 1871 near Moody, Texas. Witness my hand this 21st day of August, 1921. Mrs. E. I. Neff."

"Sworn and subscribed to before me by Mrs. I. E. Neff this the 21st day of August, 1920. Espa Stanford, Notary Public in and for McLennan County, Texas."

### PAT NEFF'S AGE

To the News.

As the question of the exact age of the Hon. Pat M. Neff has arisen I will thank you to print the following:

Since right after the Civil War up to a few years ago I lived but a few miles from the house in which Pat M. Neff was born and which was occupied by his mother until recent years. I lived in Coryell County and the Neffs lived just across the line in McLennan County. I was at the home of Mrs. I. E. Neff, Pat's mother, frequently.

Distinctly do I remember that I was at Mrs. Neff's home in the spring of 1872. Little Pat, as his mother affectionately called him, was then about six months old and just beginning to catch hold of things to crawl. I remember it so distinctly because Pat Neff is just a few months older

than my oldest son, J. W. Jacobs of Dallas, who was born in May 1872.

So I am very positive that Pat Neff was born in the latter part of the year of 1871. My son, whom I have mentioned, though younger than Mr. Neff, was not in the second draft either. Respectfully,

MRS. MARY L. JACOBS.

5604 Lewis Street, Dallas, Texas.

### THE MISSES GILLON ENTERTAIN

Tuesday evening, at their home on Hefley Heights, Misses Grace and Louise Gillon entertained at a dance. Twenty-seven participated and the Edison furnished music.

The programs were the dainty handiworks of Miss Cornelia Wallace and were done in pen and ink sketches of Pierrett.

At the close of the evening cream and cake were served.

Mr. Manuel Werner entertained in honor of his cousin, Mr. John Kubecek who is visiting here. About seven couple came in response to his invitation. Music was enjoyed on the piano and dancing was another pleasure. A most enjoyable time was had by all and at a late hour cream and cake was served to complete a pleasant time. Those enjoying this evening of pleasure were Misses Lois and Oma Weems, Carrie Marek, Lydia Matula, Olga and Viola Marek, Mr. and Mrs. Owen Weems, Manuel and Leo Werner, Otto Wokaty, Bill Parma, August Gurecky, Amos Marek, Johnnie Shegut, Mr. John Kubecega, Fred Moore.

We wish to call your attention to the display ad in this issue of the W. B. Land Co. of Sweetwater, Texas, advertising improved farms in West Central Texas.

### ROCKDALE EDITOR IS VISITING HERE

J. E. Cooke, president of the Texas Press Association and editor of the Rockdale Reporter of Rockdale, was in Fort Worth for a few hours Wednesday morning on his way home from a vacation in the Panhandle. He also attended the convention of the Northwest Texas Press Association, of which he is an ex-president, while in Quanah last week.

According to Cooke, crop conditions in the Rockdale district are the best in years. He said that there had been plenty of rain, that cotton picking was in full progress and that the corn crop was in fine shape.

He also expressed his surprise at the rapid growth of Fort Worth since his last visit to the city, a little less than three years ago.—Fort Worth Star Telegram.

## FORDSON TRACTOR

GREATEST UTILITY OF THE AMERICAN FARM

On September 2 and 3 under the supervision of the Houston branch of the Ford Motor Company a tractor demonstration will be held in Navasota.

The Chambers-Hefley Motor Company will send tractor salesmen, mechanics and its tractor clinic to the demonstration and will take advantage of the educational features of the demonstration that it may be able to better aid the farmers in solving their power problems on the farm and to encourage better production and better farm facilities.

The demonstration will be attended by dealers, manufacturers, tractor salesmen, bankers and business men. A special invitation is extended to all, and the Chambers-Hefley Motor Company urges bankers, farmers and business men to attend from Milam County.

The Tractor is the greatest asset to the American farm. It will solve the problems with which they have wrestled for many years. It points the way to progress, efficiency and a bigger yield.

The Tractor demonstration at Navasota will result in direct benefits to the farmers and whatever advantage we gain by sending our representatives there will be given the farmers of this territory.

We invite the farmers to attend.

Our stock of FORDSON Tractors is complete and we invite the co-operation of the farmers in improving farm utilities.

## ONLY DEMOCRATS TO VOTE IN PRIMARY

**AFFIDAVIT IS REQUIRED OF  
THOSE WHOSE PARTY FE-  
ALTY IS QUESTIONED.**

Fort Worth, Texas, Aug. 24.—Voters at next Saturday's primary whose Democracy is questioned or who are suspected of being Republicans or members of other parties will be required to sign an affidavit that they intend to support the Democratic nominees from presidential electors to constable.

Hundreds of blank affidavits have been prepared and are in the hands of Secretary Randle of the Democratic Executive Committee, who has charge of the election arrangements in this county. They will be sent to each polling place in the city and county by Saturday morning for use by the judges. Any voter whose party fealty is the object of question or suspicion will be challenged before he is allowed to cast his ballot and if the judges are not satisfied that he is a Democrat and is acting in good faith, he will be required to make oath that he will support all nominees at the November election. This precautionary measure on the part of the executive committee is expected to have the desired effect of keeping hundreds from voting at this primary who are said to have participated in the July primary without intention of supporting the nominees of the party.

The printed form of the oath contains first the citation to Article 274 of the penal code, which provides punishment by confinement in the penitentiary for false swearing in elections.

The affidavit requires the signer to make oath as follows:

"I am a Democrat. I will in and at the general election to be held on the first Tuesday in November, A. D. 1920, support all nominees of the Democratic party from presidential electors to constable."

The usual pledge also will be printed on the ballot to be used at Saturday's primary, but to many voters this is said to signify nothing and to be taken with a mental reservation. It reads: "I am a Democrat and pledge myself to support the nominees of the primary."

The printed ballot contains only the names of candidates of three offices who are contesting in the runoff. The offices are Governor, Lieutenant Governor and Associate Justice of the Supreme Court.

The name of Pat M. Neff occupies first place in the section allotted to the candidates for Governor. He won first position in the drawing which was conducted by the members of the County Executive Committee.

### WILLIAM PIERSON

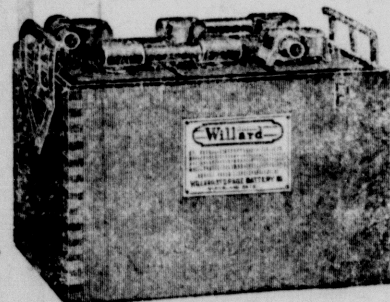

Remember Judge William Pierson, of Hunt County, for Associated Justice of the Supreme Court. He won first primary by large plurality of 24,853. Assist him August 28th.

## GALVESTON CENSUS REPORT IS 44,255

**EASTLAND HAS A GAIN IN HER  
POPULATION OF 995.7 PER  
CENT IN TEN YEARS**

Washington, Aug. 25.—Galveston, Tex., 44,255; increase, 7,274, or 19.7 per cent.

Eastland, Tex., 9,368; increase, 8,513 or 995.7 per cent.

Eastland's gain in population is due to the great number of people interested in oil. A number of Texas towns are expected to show similar percentages in growth.

### FRED HENRY BACK FROM WEEK'S VISIT TO WEST

Fred Henry, local fraternal worker and insurance writer, has just returned from a visit to El Paso and Albuquerque, New Mexico, where he went in the interest of his business and on pleasure.

Mr. Henry while in El Paso visited points in Old Mexico, taking advantage of a day run down into the southern republic. Conditions there are much improved, he says, and over the west generally there is great prosperity.

Mr. Henry returned to Cameron Monday night in time to attend the meeting of the Knights of Pythias of which he is the keeper of records and seals.

### How Could She Tell?

One of the girl ushers in a Flatbush theater had a problem offered her the other evening. She was showing two women their seats.

"Is the show this evening fit for church women to see?" asked one of the pillars of a Flatbush congregation.

"I—I don't know," responded the girl. Then she brightened. "You see," she said, "I don't have no time to go to church."—New York Mail.

### Grumbling Unfashionable.

One of the results of these strenuous times in which we are living is that grumbling is going out of fashion. People are ashamed to fret about trifles, when they see how bravely others are making great sacrifices and bearing great troubles. It is to be hoped that there will be less grumbling this year than ever before in America since the landing of the pilgrims, and that the fashion will never return.—Girl's Companion.

## 1,053 BALES HAVE BEEN GINNED HERE

COTTON FARMERS EXPECT TO  
HARVEST BIG YIELD THIS  
YEAR.—PRICE UNSTA-  
BLE.

Up to noon Thursday more than 1000 bales had been ginned in Cameron. This number is divided between four gins now operating on full time.

Weather conditions have been such as to prevent a more brisk marketing of cotton. Scarcity of labor is also responsible for some of the difficulties attached to marketing the present crop. The ginning season opened about three weeks ago. The total ginned is 1,053.

With fair weather the number will be materially increased by next week when a report will be made. The Herald will carry each week detailed report from the four gins of the number of bales ginned here.

## HALF YOUR LIVING WITHOUT MONEY COST

Continued Southern Farm Prosperity  
Dependent on Cutting Produc-  
tion Cost Through Food  
Making and Saving

Atlanta, Ga.—(Special).—“Tens of thousands of farmers in the South will face the problem of making cotton under heavy weevil infestation for the first time in 1920. Their success or failure under these new conditions will be absolutely dependent on the degree that there is food, grain and forage produced on their farms this year,” said H. G. Hastings, president of both the Georgia Chamber of Commerce and the Southeastern Fair.

“A few weeks ago the newspapers carried the report that an Alabama county was preparing to erect a monument to the boll weevil, because of the good the weevil had done them in forcing them out of the ‘all-cotton’ poverty-producing rut, into the prosperity that always follows a diversity of crops and the production on home acres of every pound possible of food, grain and forage supplies needed by the family and live stock.

“Our good people here in the South have never, until very recently, taken the home or family vegetable garden seriously as a source of food supply. It has been looked on strictly as a side issue, something of little importance, something to be attended to the last thing on the place. The home garden, rightly handled, can be made to produce half the food needed by the family and practically without money cost.

“The average ‘lick and promise’ sort of a garden has little value. To be of real value the garden must be planned for, really prepared for, planted right and kept cultivated through the season, and cultivated whenever needed. That kind of a garden will keep its owner’s table well supplied with an abundance of healthful food seven or eight months in the year, as well as furnishing an abundance of canned and dried vegetables for winter use.

“Every mess of vegetables direct from garden to table, every can or jar of home-canned vegetables from closet shelves, makes a hole in that store bill that is always a terror when ‘settling’ time comes.

“Good home gardens have been real life savers to thousands of southern farmers who have gone ‘flat broke’ trying to meet store bills. A good garden will cut the store bill until its size is negligible. Give the garden a fair chance and a square deal in 1920 and the result will be agreeably surprising.”

AUTHENTIC FASHIONS OF UNSURPASSED BEAUTY IN OUR

# Autumn Exposition

Our Fall and Winter Stocks have been supplemented by new shipments of goods from the markets of the East completing one of the most distinguished showings in recent years.

## Suits Exquisitely Tailored Abounding In Verve and Charm.

Handsome things, every one of them, gorgeously burdened with a wealth of embroidery and huge collars and cuffs. Styles vary from the youthful box to rippled lines with the more conservative belted models leading in popularity, while fabrics include the twills and the soft-surfaced duvetyn-like materials. At no time does a woman desire so keenly to be well dressed as Autumn. A suit properly chosen will answer almost every purpose.

In addition to being pleased with the smart and exclusive styles it is good to know that the quality, value, and cost of this new Autumn merchandise compares favorably with the high standards maintained by this store.

## Autumn Lines In New Apparel

The spirit and enthusiasm of Autumn has been captured and crystallized in the smart new modes of the season. Women whose discernment and knowledge of the new styles and their own tastes will find in our collection of Frocks, Gowns, Wraps and Tailleurs, a vibrant beauty and charm that have the stable backing of authenticity.

## New Blouses for the New Suit

Enjoy your new suit to the fullest by having Blouses for street, for the luncheon party, for afternoon and for the theatre or restaurant. With a proper collection of Blouses you can transform your suit as if by magic into attire suitable for a wealth of needs. Models of lace, tub stuffs and silk vie in delicacy, smartness and gay embellishment.

## Autumn Hats of Exceeding Charm

Your pleasure in selecting new hats at the Autumn Exposition will be intensified by the softly becoming draped lines of the many new fabric Hats. Duvetyn, satin and velvet fall naturally into graceful turbans, tams and off-the-face modes which when ornamented with coque, blondines, embroidery, ribbons and jeweled pins are indeed lovely companions to accompany the many various styles of apparel from the severe tailored to the picturesque and filmy evening mode.

## “Wrappy” Describes the New Coat

Some are out and out Wraps while others, slightly disguised as coats, have strong inclinations to the popular “wrappy” silhouette. Sleeves if present, are large, likewise collars, while cuffs are often muffled. The wrap with a fitted waist line cape is a popular style. Bolivia, peachbloom, duvetyn, veldyne and tinseltone are fabrics much in demand in the Autumn Wraps.

## New Fall Frocks

## Frocks For Every Feminine Fancy

The importance of being smartly attired this Autumn resolves itself into possessing a Frock or two for street wear and more festive occasions. Regardless of the popularity of the rich new shades of brown for the woman devoted to blue there are equally charming models developed in silk duvetyn, veldyne and the various twills. Our present collection includes styles severely simple or elaborate with embroidery, beading, plaits and braiding.

## Frocks Designed to Give Slender Lines

To secure the slim lines demanded by Fashion, women will find that the one-piece Frock is eminently successful. For all times when you appear without a coat, you will find that a Frock is most desirable. Frocks abounding in charm, of every wanted fabric and in a variety of slenderizing styles for Autumn now await your inspection.

## Footwear For Every Part of the Fall Program.

No matter what you do or where you go, there is always the question of appropriate footwear. Being fashionably and correctly shod, adds greatly to one's appearance and pleasure. This store is in position to serve you in a satisfying way. Here are correct modes for every type of foot—a range of styles that anticipates every Autumn event and preference.
